ONE DOLLAR A YEAR.

HOPKINSVILLE, CHRISTIAN COUNTY, KENTUCKY, FRIDAY, AUGUST 14, 1908

VOLUME XXVII, NO 32

ALL BRANCH BANKS

MUST HAVE A SEPARATE CHARTER AND CAPITAL STOCK.

Attorney General Breathitt so Construes the Law and Many Banks Will Suffer.

FRANKFORT, Ky., Aug. 12.—Secretary of State Ben L. Bruner having discovered that several small state banks were operating branch banks without any separate or additional capital stock, and that these branch banks were not making any quarterly reports to the state, wrote a letter to Attorney General Breathitt asking if a state bank has the legal right to establish a branch bank in another town or another county. The attorney general rendered his opinion and holds that it is absolutely unlawful for a state bank to conduct a branch bank.

The principal complaint comes from Daviess county, where one bank with only \$15,000 capital stock has been conducting several branches that had no capital stock. Several complaints from other counties were also received.

The branch banks will have to discontinue or be prosecuted. The opinion will create a sensation in banking circles.

COMING BACK

LOUISVILLE, Ky., Aug. 13.—It was announced on good authority here today that W. S. Taylor would return to Kentucky for trial on the charge of complicity in the murder of Gov. Goebel. According to the report he will not come back until after the November election and the trial will be held in Louisville before a special judge.

SIX SOLDIERS

RAIDED LODGE ROOM AT WALLONIA LAST NIGHT

Searched Those Present and The Rooms and Carried Away Some of the Paraphernalia.

CADIZ, Ky., Aug. 12.—Six soldiers claiming to have been sent from Hopkinsville, raided the lodge rooms of the Masonic order at Wallonia last night and took therefrom some of the paraphernalia of that society.

The lodge room is located upstairs over the Christian church and John H. White, council commander, states that the Woodmen of the World were initiating Freeman Gilkey a candidate. The door was unlocked and without warning, six soldiers entered, after searching those present proceeded to go through the rooms. From a closet they took some of the aprons and paraphernalia of the order.

Planned Raid.

MURRAY, Ky., Aug. 12.—A soldier claims to have overheard a conversation on the street this morning in which it was said that it had been planned by the night riders to raid Murray after the present term of court was over.

With this warning due precautions will be taken to prevent any such attempt should it be made.

JUDGE SANDIDGE REFUSES CHANGE OF VENUE IN BROWDER CASE.

Prisoner Brought From Louisville to Russellville and Case is Called—Defense Asks for Continuance—Soldiers Accompany Prisoner.

RUSSELLVILLE, Ky., Aug. 12.—Circuit Judge Sandidge this morning refused to grant the change of venue asked by the attorneys for Rufus Browder, the negro charged with the murder of James T. Cunningham. Judge Sandidge took the case under advisement yesterday afternoon at the completion of the hearing of the testimony, preferring to consider it in all its details before announcing his decision.

Immediately after the giving of the opinion on the change of venue the case was called for trial. The prosecution announced ready, but the defense asked for a continuance.

In giving his opinion on the change of venue Judge Sandidge stated that every person implicated in the mob which hung the four negroes on the morning of August 1 is guilty of murder in the first degree.

Browder arrived here last night

from Louisville and is being kept in jail under a heavy guard.

RUSSELLVILLE, Ky., Aug. 12.

A serious clash between Sheriff Tom Rhea, of Logan county, and state soldiers took place yesterday when Sheriff Rhea reached here with the negro, Rufus Browder. The sheriff resented the efforts of the militiamen to surround the prisoner, and when two soldiers climbed on the seat of the carriage, he threw them to the ground and the wheels of the vehicle passed over one of the men. After the negro had been placed in jail a conference was held by the Sheriff with Capt. Dan Carrell and R. J. McBryde, Jr., at which peace between the civil and military authorities was established.

JUDGE COOK WANTS JURY TO PROBE ALL REPORTS THOROUGHLY

Says That Rumors That He is Night Rider Are Circulated By Slanderers For Political Effect.—No Verdict In The Ellis Case.

JUDGE THOS. P. COOK.

MURRAY, Ky., Aug. 13.—No word has been received from the Jake Ellis jury since yesterday morning when they announced they could not agree as to whether or not Ellis is a Night Rider. Judge Thomas P. Cook seems determined to keep the jury on the case until a verdict is reached.

Judge Cook is courting the fullest investigation of the charge that he is a Night Rider. He says:

"These slanderers have circulated reports concerning me and Mr. Smith that are utterly without foundation. They have said that I am an oathbound member of the Night Riders, and have declared that they can produce the man who administered the oath to me and also six or more witnesses who were present when the oath was administered."

"These reports came to me day after day. They were so utterly absurd that I did not pay any attention to them. Finally, it came to my attention that responsible men were circulating the reports, and then it was that I decided to take immediate action."

"I summoned the grand jury and directed them composing it to investigate the reports. I gave them the names of men whom I had reason to believe knew all about the affair. I will leave nothing undone to have a full investigation and I want indictments returned against me and Mr. Smith or I want a complete vindication. The people whose circuit judge I am, and the people whose representative Mr. Smith is, are entitled to an investigation and they shall have a thorough one if I can give it to them."

"There must be no whitewash affair. It must be open and aboveboard. Those responsible for the rumors must give their authority, and I directed County Attorney Barnett to leave no stone unturned. 'Politics,' I believe, is at the bottom of all of it, as I am a candidate for re-election. Then again, efforts are being made to intimidate me in the cases growing out of the night riding."

"It will fall, however, and I expect to be completely vindicated before my people. The charge that I am a Night Rider is ridiculous, of course, but I want vindication by the people's representatives."

LEE HILL'S RESIDENCE

At Gracey Narrowly Escaped Destruction by Fire Last Night.

(From Wednesday's Daily)

The residence of Lee Hill, at Gracey, narrowly escaped destruction by fire last night. During the evening some member of the family had occasion to go into a closet for something and a match was used to give light. After the family had retired for the night Mr. Hill awoke with the consciousness that something was burning. Upon opening the closet door he found the whole interior ablaze. By several well directed buckets of water he extinguished the fire, which it is supposed had caught from a flying spark from the match. The loss will amount to about \$100.

OHIO NIGHT RIDERS

Destroy a Big Barn and All its Contents.—Had Received Warning.

CINCINNATI, Aug. 12.—Night Riders invaded Hamilton county and with the torch, wiped out the possessions of Grant Stevens, farmer two miles east of Elizabetown, who despite threats had grown 150 acres of tobacco.

Stevens was awakened by the barking of his dog and, hurrying into the barn yard, saw six men running away. Fearing they would execute a yard movement and attack his home he remained on guard at his door with rifle in hand and watched his well-stocked barn burn to the ground. Stevens lost four horses, twenty-six hogs, a lot of harness, twenty tons of hay and farm implements.

Stevens, it is said, has gotten a number of threatening letters, but paid no attention to them. Elizabetown is eighteen miles from Cincinnati.

Celebrate Golden Wedding.

Although a disagreeable day Mr. and Mrs. W. J. Renshaw, with a host of friends and acquaintances from far and near spent last Saturday at their hospitable home near Sinking Fork, Ky., celebrating the 50th anniversary of their happy married lives. Three children survive them, Mrs. Curtis Adams, Crofton, Ky., Mrs. W. W. Renshaw, Chicago, Ill., and Mrs. W. B. Dean of this city, were among those present. After every one did justice a handsomely decorated wedding table. Many valuable presents were received and the good will of all resigned supreme.

FIRE IN BASEMENT

Threatened J. Miller Clark's Grocery Last Night.

(From Wednesday's Daily)

Fire was discovered in the basement of J. Miller Clark's grocery on Avenue A and Virginia street this morning about 12:30 o'clock and an alarm was turned in at once. The department responded in short order and upon their arrival found a threatening blaze in the basement but with two well directed streams of water soon extinguished it. The fire itself did not get into the upper room and the damage is due principally to smoke. The loss will be considerable and is covered by insurance.

STRAWBERRIES IN AUGUST

Second Crop of the Year is Now Being Marketed.

(From Wednesday's Daily)

Strawberries in August! That is the unusual delicacy which Hopkinsville people are enjoying now, or at least that part of them who are lucky enough to secure any of the rather limited supply. These berries are the second crop of the season produced on the vines of E. F. Coyner's Highland ranch, and they are being gathered in considerable quantities. Yesterday he sold eight gallons and today he sent in six gallons. The berries are retailing at 60c per gallon. If rains continue to fall plentifully the crop will continue for some time.

The berries are not so large or fine looking as those which came at the usual time for this fruit, but they are delicious in flavor and very sweet.

MR. BRYAN IS NOTIFIED AT LINCOLN

LINCOLN, Neb., Aug. 12.—For the third time William Jennings Bryan was today officially notified that he had been nominated for president of the United States.

The notification ceremonies took place according to the program which had been arranged and was the scene of much enthusiasm. The city was elaborately decorated and every citizen exerted himself to the utmost in honor of the occasion.

The ceremonies were witnessed by John W. Kern, the vice presidential

nominee, Norman E. Mack, chairman of the national campaign committee, Josephus Daniels, head of the literary bureau, John E. Osborne, of Wyoming, John E. Lamb, of Indiana, G. Humphrey O'Sullivan, of Lowell, Mass., and other notables in the councils of the Democratic party.

Everybody present expressed the highest and most sanguine belief that the Democratic ticket would be elected by a good majority.

"MOTHER STEWART" HAD A GOOD TIME

Founder of The W. C. T. U. is Dead at Age of 92.

SPRINGFIELD, Mo., Aug. 8.—Mrs. Eliza D. Stewart, known the world over as "Mother Stewart," died at the home of Mrs. Farnsworth, in Hicksville, at the age of 92 years. She was the founder of the first Woman's Christian Temperance Union in this country, at Osborn, in 1873, and conducted the famous crusade in Ohio shortly after that. Later she organized the society in England, and was a close friend of lady Somers.

During the Civil war she acted as a Red Cross nurse. Afterwards she lectured in the south on behalf of the sufferers.

Mother Stewart was a well-known in England and Scotland as in the United States.

Her body was brought here and buried beside her husband.

Diarrhoea Cured.

"My father has for years been troubled with diarrhoea, and tried every means possible to effect a cure without avail," writes John H. Zirkle of Philippi, W. Va. "He saw Chamberlain's Colic, Cholera and Diarrhoea Remedy advertised in the Philippi Republican and decided to try it. The result is one bottle cured him and he has not suffered with the disease for eighteen months. Before taking this remedy he was a constant sufferer. He is now sound and well, and although sixty years old, can do as much work as a young man." Sold by Anderson & Fowler Drug Co., incorporated.

Attention, Asthma Sufferers!

Foley's Honey and Tar will give immediate relief to asthma sufferers and has cured many cases that had refused to yield to other treatment. Foley's Honey and Tar is the best remedy for coughs, colds and all throat and lung trouble. Contains no harmful drugs. For sale by L. A. Johnson & Co.

Cured Hay Fever And Summer Cold.

A. S. Nussbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed only to aggravate it. Fortunately I insisted upon having Foley's Honey and Tar. It quickly cured me. My wife has since used Foley's Honey and Tar with the same success." For sale by L. A. Johnson & Co.

SUMMER RATES TO CERULEAN AND SON.

Beginning Saturday May 16th, 1908, and on every Saturday and Sunday thereafter up to and including Sunday, October 18, 1908, the Illinois Central will sell tickets to Cerulean and Dawson Springs, Ky., and return for all trains Saturday and Sunday morning at rate of one fare round trip.

Did The 2500 I. C. Employees at Cerulean.

Twenty-five hundred good natured Paducahans employed the big Illinois Central Railroad excursion Wednesday to Cerulean Springs, Ky. The fifteen coaches left Paducah early and made a good run to Cerulean. The day was spent in the park at the springs at base ball and every sort of innocent amusement. Never was a picnic of the Illinois Central railroad better conducted or larger enjoyed than the one that returned to Paducah at 9 o'clock Wednesday night. There was not an incident to mar the big real pleasures of the day and no two dozen hundreds of Paducah folks ever returned home in better humor than did the I. C. picnickers. The credit is given to the men of the railroad who had the outing in charge. Every person from the railroaders, committee, I. C. officials and the good citizens of Cerulean did everything in their power to put the outing down as a success and for every one to be merry.—Paducah News-Democrat.

A Faithful Friend.

"I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy since it was first introduced to the public in 1872 and have never found one instance where a cure was not speedily effected by its use. I have been a commercial traveler for eighteen years, and never start out on a trip without this my faithful friend," says H. S. Nichols of Oakland, Ind. For when a man has used a remedy for thirty-five years he knows its value and is competent to speak of it. For sale by Anderson & Fowler Drug Co., incorporated.

A Boon to Elderly People.

Most elderly people have some kidney or bladder disorder that is both painful and dangerous. Foley's Kidney Remedy has proven a boon to many elderly people as it stimulates the urinary organs, corrects irregularities and tones up the whole system. Commence taking Foley's Kidney Remedy at once and be vigorous. For sale by L. A. Johnson & Co.

Don't Grumble

When your joints ache and you suffer from Rheumatism. Buy a bottle of Ballard's Snow Liniment for instant relief. A positive cure for Rheumatism, Burns, Cuts, Contracted Muscles, Sore Chest, etc. Mr. I. T. Boggs, a prominent merchant at Willow Point, Tex., says that he finds Ballard's Snow Liniment the best all round Liniment he ever used. Sold by L. A. Johnson & Co.

Why James Lee Got Well

Everybody in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were so severely affected that consumption seemed inevitable when a friend recommended New Discovery. We tried it and its use has restored him to perfect health." Dr. King's New Discovery is the King of throat and lung remedies. For coughs and colds it has no equal. The first dose gives relief. Try it! Sold under guarantee at Cook & Higgins and Cook's Pharmacy. 50c and \$1. Trial bottle free.

August time, tells on the nerves. But that spiritless, no ambition feeling can be easily and quickly altered by taking what is known by druggists everywhere as Dr. Shoop's Restorative. Within 48 hours after beginning to use the Restorative, improvement will be noticed. Of course, full health will not immediately return. The gain, however, will surely follow. And best of all, you will realize and feel your strength and ambition as it is returning. Outside influences depress first the "inside nerves" than the stomach, heart, and kidneys will usually fail. Strengthen these failing nerves with Dr. Shoop's Restorative and see how quickly health will be yours again. Sold by Anderson & Fowler Drug Co., incorporated.

Chronic Diarrhoea Relieved.

Mr. Edward E. Henry, with the United States Express Co., Chicago, writes: "Our General Superintendent, Mr. Quick, handed me a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy some time ago to check an attack of old chronic diarrhoea. I have used it since that time and cured many of our trains who have been sick. I am an old soldier who served with Rutherford B. Hayes and William McKinley four years in the 25 Ohio Regiment, and have no ailment except chronic diarrhoea, which this remedy stops at once. Sold by Anderson & Fowler Drug Co., incorporated.

Children in Pain

Never cry as do children who are suffering from hunger. Such is the cause of all babies who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated out devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Give it a trial. Sold by L. A. Johnson & Co.

Roycroft Philosophy

By Fra Elbertus

Written in a sincere and kindly desire to help the young who do not know, and the older ones who sometimes forget

Employees should be dignified in deportment, and not wrestle, hug, trip, jostle. These things all make an impression on customers, and a bad impression.

Keep away from gambling-rooms, pool-rooms and all places where you would not care for your employer to see you—or have you see him.

There are valuable positions always opening up in any progressive concern. Be ready to be promoted. Promotions go straight to the cheery, intelligent worker.

Don't throw waste paper and refuse on the floor—baskets are provided for rubbish. Be very careful never to leave oily waste in rubbish baskets or on the floor—put such in metal cans and see that the cover is on. Spontaneous combustion is a common cause of fire.

Above all in writing letters never show resentment or anger. The letter lives long after the cause of the offense is forgotten. To write to a distant friend a give-away on the house—a grand call-down—is an error that is paid for every day in tears. The number of such letters posted in company envelopes, that are misdirected and come back for the proprietor to read, is enormous. No one knows why these scandalous letters are usually directed to Chicago when the writer meant they should go to San Francisco. If you are going to defame your employer, never do it on his time or stationery.

If asked for information, be sure you have it before you give it. Do not assume that the location or fact is so new because you once knew it so. Don't misdirect. Make your directions so clear that they will be a real help.

And for the same good reason keep your personal callers, personal letters, personal matters, thoughts and states of mind away from the post of duty.

Never use the office telephone as a gossiping convenience. If your duties are to 'phone, say what is to be said quietly, intelligently and briefly. There are houses that are known by their courteous telephoning. Loss of temper at a 'phone gains nothing. Telephone courtesy is a great thing, as courtesy always is.

WHITE CAPS

BEAT A MAN WITH PLANK STUDDED WITH NAILS.

He Was Then Covered With Tar And Feathers And Tied to a Tree.—Woman Warned.

RUSHVILLE, Ind., Aug. 8.—Beaten almost to insensibility by white caps, perforated with small holes caused by a nail-pronged board covered with tar and feathers, John Tribbey, a well-to-do farmer, was found bound to a tree.

Tribbey said he had been taken from his home by eighteen masked men who had deliberately tortured him.

Shortly after the finding of Tribbey, it was learned whitecappers had visited the home near by of Miss Hattie Smith, with whom he is alleged to have been on friendly relations, broke in the windows and left a note of warning for her to leave the country with her father under penalty of death.

Tribbey said he also had been ordered to leave within thirty days. Officers are working on the clew that some of the most prominent farmers of Posey township where the whitecapping took place, are implicated.

FOR OFFICIAL TRIAL

WASHINGTON, Aug. 8.—Capt. Baldwin at Fort Meyer piloted his military balloon to the ground after making a successful flight of nearly five miles in an effort to demonstrate the usefulness of an airship in war times. Today at 5 o'clock Capt. Baldwin will be ready for the first official speed trial.

Rising from the ground like a monster bird of the air, slowly and buoyantly, the aerial ship, built for the United States army, was headed into the westerly wind by Capt. Baldwin. A complete circle was described, the balloon rising gradually to a height of 200 feet.

Again pointing to the west and attaining an estimated speed of twelve miles an hour, the ship voyaged in a direct line for nearly two miles, when the trip back was begun. The wind was blowing at a rate of seven miles an hour and as the throttle was thrown open a little wider by Mr. Curtiss, who again operated the engine and the planes, the ship flew along at speed of eighteen or twenty miles an hour.

When the dirigible balloon passed over the starting point it was about 500 feet in the air. Bringing his ship against the wind Capt. Baldwin made a landing much the same as pilots of water craft bring their vessels to the side of a dock.

EXCITEMENT CAUSED

RUSSELLVILLE, Ky., Aug. 8.—Thursday night several shots were fired in the neighborhood of the L. & N. shops and Sheriff Rhea and his patrols arrested three negroes, Jesse Hall, Dudge Wilson and Genevieve Morrow. Hall had a big pistol and the woman admitted he had fired the shots, though they could give no reason for so doing. The two men were fined \$100 and fifty days in jail and the woman was released. The shooting caused some excitement at the time.

QUESTION AND ANSWER COLUMN

Edited for THE NEW ERA by G. C. SIBLEY

NATURALIST.—Is a buffalo a buffalo or a bison?

ANSWER.—We would say unhesitatingly that a buffalo is a buffalo. We have never seen one that was not. Similarly, a dog is a dog. If the so-called Naturalist means the overgrown beaver that roamed our prairies, in ancient times, that kind are bison.

HOUSEKEEPER.—Please give me a receipt for putting up fruit.

ANSWER.—It depends on the fruit and where you want to put it. If you mean watermelons and want to put them up on the house, the best method we can think of is to use a derrick.

POLITICIAN.—Who will be the next president?

ANSWER.—Our crystal gazer has been sitting up all night trying to find out. She says it will undoubtedly be a large man who has traveled extensively. Both Bills have traveled and both are large. If that crystal gazer don't do better by tomorrow she is going to get fired. She is at present in a trance and will be severely spoken to as soon as she gets out.

ANXIOUS INQUIRER.—If an alligator pares a pair of alligator pears how many pairs of alligator pears can a pair of alligators pare?

ANSWER.—It depends entirely on the pearing propensities of a pair of alligators.

FARMER.—I have a very savage hog that has twice attacked my little children. At the last attack the hog bit off the left hind leg of my youngest child. What can I do to prevent this?

ANSWER.—By spreading a mixture of copperas, sulphuric acid and glue over the person of your offspring they will be protected as hogs do not like to taste such a preparation.

If Henrietta biscuit what did Marguerite?

ANSWER.—We have referred this question to the Chief of the Department of Agriculture and will let you know at a future date.

INQUISITIVE BIOLOGIST.—What is the most nourishing food?

ANSWER.—Eggs. A man can take a hen with him and cross the Sahara desert.

ESSAYIST.—I have been asked to read an essay on the French revolution. Will you kindly give me a brief history of the same?

ANSWER.—We will. We know all about it. We had an ancestor who participated therein. We have seventeen men at work now getting at the facts and if you will call personally with a day we will be glad to give you our manuscript.

SCIENTIFIC.—What is the greatest invention that has ever been invented?

ANSWER.—We find in Babylonian records a uniform description of a device to keep a woman from talking.

Q. B. C.—Did George Washington really throw a dollar across the Potomac river?

ANSWER.—He did. It was found

Much Social Attention.

Mrs. W. H. Cummings, Jr., the guest of Mrs. Gus Brannon, has been the honoree of several bridge parties during the past week. Monday night Mrs. Dixon Kitchen was the hostess and the prize was won by Miss

later on by Elmer Wickett who spent it. We do not know who has it now but we wish we did.

ATHLETIC.—How is the game of tennis played?

ANSWER.—On a court with rackets and balls. If "Athletic" is a lady she will have to lay in a supply of squeals and squeaks also as these are absolutely indispensable to a lady player.

ERUDITE.—Did Bacon write Shakespeare?

ANSWER.—Authorities are not agreed as to the author of Shakespeare but we favor Mark Twain's solution of the problem. That "Shakespeare" was not written by Shakespeare but by another man of the same name.

SUFFERING MORTAL.—My wife's mother is visiting us; what shall I do?

ANSWER.—We suppose that "Suffering Mortal" wants to know how to get rid of the lady. We got rid of ours once by burning down the house, but she stayed around the neighborhood until we rebuilt and lived with us a year longer. We do not recommend this method except in extreme cases. The best way, we have ascertained, is to purchase quite a number of fox terriers; the kind that play around the house. In due time the house will become saturated with fleas. Mother-in-law hate fleas, and will invariably flee. The fleas may be a nuisance for a while but what if they are?

DELICATE.—Which is the best way to take castor oil?

ANSWER.—Castor oil may be rendered tasteless by mixing with whiskey—providing you drink enough whiskey before taking the oil. Some use a mixture of castor oil and kerosene as the castor oil loses its taste by this method also.

OLD MAID.—I am forty-three years of age and unmarried. Can you advise me as to how I can secure a good selection of gentlemen admirers and also what I shall do to let them know in a delicate way that I may be persuaded to enter the bonds of matrimony?

ANSWER.—We have referred this matter to our wife. She is of the opinion that all that is necessary is a few thousand dollars, say, fifteen. A moderately ornamental man can be secured for this amount, but if you are an artist and care to go in for rare editions it will take anywhere from a hundred thousand to a million. We, ourselves, brought two hundred thousand and as you know us, you can calculate about what price you wish to pay.

MARRIED MAN.—I wish to take a summer vacation but do not wish to take my wife along. How can I get her to want to stay at home?

ANSWER.—You can't.

VOTER.—How old is William Taft?

ANSWER.—Old enough to know better.

CURIOSITY.—Who were the oldest inhabitants of America?

ANSWER.—Aborigines.

Fannie Phelps, Tuesday night Miss Fannie Phelps entertained. The prize was won by Mrs. Theodore Troendle. Friday night Mrs. E. H. Barker was the hostess. The gentlemen's prize was won by Hiram Thomas, the ladies' prize by Miss Jean McKee and the booby went to Mrs. Upshaw Wooldridge. Tonight Mrs. Brannon will entertain.

THAW A BANKRUPT

FILES PETITION FOR BENEFIT OF HIS CREDITORS

Charges That Most of Claims Are Unfair—Liabilities Are \$453,140.47 And Assets \$128,022.

PITTSBURG, Aug. 8.—Alleging that his creditors are pressing unfair claims against him and that he is unable to pay, Harry K. Thaw, slayer of Stanford White, through his attorney, Charles Morschauer of Poughkeepsie, N. Y., and ex-Gov. Stone, of Pennsylvania, filed a petition in bankruptcy in the United States court here. Detective Roger O'Mara, of Pittsburgh, was named as receiver for Thaw's estate and gave bond in the sum of \$200,000.

In his bankruptcy papers, which were signed by Thaw while outside the Poughkeepsie jail, he shows some startling figures. He places his assets at \$128,022; his liabilities at \$453,140.47. Thaw, through his attorneys, sets forth plainly that he does not believe that he owes the \$453,140. He names thirteen creditors, and gives the amounts which they claim he owes. Of this number only two claims are undisputed. He admits to owing Mrs. Mary C. Thaw, his mother, \$191,500, and he also approves the claim of Roger O'Mara for \$400 fees as a detective. There then follows in his paper a list of creditors and their amounts.

The foot prints of Dyspepsia have been directly traced to the stomach nerves. When the "inside nerves" fail, indigestion and stomach distress must surely result. For this, druggists everywhere are supplying a prescription known as Dr. Shoop's Restorative. First, these tiny inside Stomach, Heart, and Kidney nerves fail. Then gas belching, heart palpitation, or failing Kidneys follow. Don't drug the Stomach, or stimulate the Heart or Kidneys. That is wrong. Strengthen these failing nerves with Dr. Shoop's Restorative. It is the nerves, not the organs that are calling for help. Within 48 hours after starting the Restorative treatment, you will realize the gain. A test will tell. Sold by Anderson & Fowler Drug Co., incorporated.

She Likes Good Things

Mrs. Chas. E. Smith, of West Franklin, Maine, says: "I like good things and have adopted Dr. King's New Life Pills as our family laxative medicine, because they are good and do their work without making a fuss about it." These painless purifiers sold at Cook & Higgins and Cook's Pharmacy. 25c.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Foley's Orino Laxative cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Foley's Orino Laxative does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. For sale by L. A. Johnson & Co.

Vouchers for amounts paid out by said Sheriff out of 1907 levy and other monies received by him, as shown by schedules, A. B. C. D. E. F. are filed herewith as part of this settlement.

The affiant, David Smith, states that the foregoing settlement is a true and complete statement of all monies received and collected by him for the 1907 taxes and back taxes to March 27th 1908 and of all monies collected by him from other sources and of all monies disbursed by him out of 1907 levy and other monies reported as collected by him, to March 1st, 1908.

DAVID SMITH, S C C.

Subscribed and sworn to before me by David Smith this 7th day of April 1908.

G. L. CAMPBELL, Clerk,
Christian County Court.

State of Kentucky, {
County of Christian, { Set.

The affiant, Frank Rives, commissioner appointed by the fiscal court of Christian County, Kentucky, to make a settlement with David Smith, as Sheriff of said county, for the year 1907, hereby says that the foregoing accounts are true statements of receipts and disbursements had and made by the said Smith, as said sheriff, for and during the year, 1907, as disclosed to this affiant by said Smith; that this settlement was made with said Smith only after a careful examination and inspection of all receipts, warrants, coupons &c. by this affiant and that same is correct as this affiant believes as far as said Smith so disclosed the amount of monies received and disbursed by him.

FRANK RIVES.

SHARPLY CRITICISED

JUDGE AND ATTORNEY OF BRACKEN COUNTY BY GOVERNOR.

Executive Charges Them With Being Remiss in Discharge of Their Duties in Night Rider Cases.

FRANKFORT, Ky., Aug. 10.—In remitting \$75 of the fine of Wainright, Lee, of Bracken county, which belonged to the state, Lee had been fined for an assault on Dimmity Griffith, Gov. Willson is afforded an opportunity to make a most astounding attack on the county officials of Bracken county.

The governor charges openly in a message, to which he has signed his name, that some of the county officials of Bracken county are acting in collusion with the "Night Riders and other criminals" to thwart the ends of justice, and that the county judge and county attorney of Bracken county are in sympathy with the "Night Rider" disturbances.

He says he remits the fine against Lee because Lee had to take his chances before such a judge, and states plainly that the state government has withdrawn all confidence in the county judge of Bracken county.

He says, too, that the conditions in Bracken county are a disgrace to the county officials, and that there are hundreds of people living in homes in Bracken county who fear to speak above a whisper; that more than fifty white men have been whipped, and that hundreds of people are in danger every night while they sleep. He advises the people "to fight, cut and shoot," and says that he will save them the expense of employing an attorney.

The message is the most bitter denunciations and far reaching in its accusations of any the governor has issued on the Night Rider troubles.

DENY THE CHARGES.

AUGUSTA, Ky., Aug. 10.—County Judge Bradford and County Attorney Kinney have made emphatic denial of the charges brought against them by Gov. Willson in his statement in the Wainright Lee case.

Both officials declare they are in no measure in sympathy with Night Riders and say they are doing all in their power to uphold the law.

ADLAI E. STEVENSON NAMED FOR GOVERNOR

Illinois Democrats Choose Christian County's Most Distinguished Son to Lead Them to Victory In November.

CHICAGO, Aug. 10.—Democratic state ticket:
Indorsed for United States senator—Lawrence B. Stringer.
Nominated for governor—Adlai E. Stevenson.
Lieutenant governor—E. A. Perry.
Secretary of state—X. F. Beidler.
Auditor—Ralph Jeffris.
Treasurer—J. B. Mount.
Attorney general—D. C. Hall.

ADLAI E. STEVENSON.

Clerk supreme court—Returns too meagre to estimate.

Republican state ticket:

Indorsed for United States senator—Doubtful between Albert J. Hopkins and George E. Foss.
Governor—Available returns indi-

cate Charles S. Deneen.
Lieutenant Governor—J. G. Oglesby or F. L. Smith.

Secretary of State—James A. Rose
Auditor—J. S. McCullough.
Treasurer—Andrew Russell.
Attorney General—William H. Stead.

Clerk Supreme Court—Christopher D. Marner.
The result of yesterday's primary election, so far as it is accurately known in regard to the state officers is given in the above lists.

Never since political returns were carried by messengers on foot, by ox teams and canal boats, have definite figures been so greatly delayed in any Illinois election as in the one just closed. Twenty-four hours after the polls closed it was impossible to give accurate returns on the senatorial indorsement or the gubernatorial nomination on the Republican ticket.

CHICAGO, Aug. 10.—Complete returns from thirty-eight counties, including Cook, give for the Republican indorsement for senator; Hopkins, 89,388; Foss, 81,442; Mason, 59,709.

For the Republican gubernatorial nomination, forty-two counties, including Cook, give Deneen, 140,991; Yates, 130,053.

HIT BY A TRAIN

AND INSTANTLY KILLED AT CLARKSVILLE PIKE CROSSING

Ora Gaines, Six Year Old Colored Girl, Was So Paralyzed With Fright She Could Not Move.

Ora Gaines, a six year old colored girl, was struck by the Dixie Flyer, of the L. & N., Saturday evening and instantly killed. The accident happened at the crossing of the Clarksville pike and the railroad. The Gaines child, with three other children, was either playing on the track or crossing it and when the train approached she was so paralyzed with fear that she could not get out of the way. The train struck her and threw her some distance, killing her instantly. The train was stopped and the body brought in to the depot here.

IN A NEW ROLE

CITY AND COUNTY OFFICIALS AS CUPID'S LIEUTENANTS

Couple Comes Here And Were Married In Police Office Just Before Midnight.—Other Weddings.

With Rev. A. C. Biddle as the officiating minister, Police Lieut. E. P. Wilkins, Patrolman Abner Witherspoon, Deputy Sheriff Renshaw and Deputy County Court Clerk W. R. Wicks as the witnesses, and the office of the chief of police as the place, George May, of Pembroke and Miss Annie Gowley, of North Plains, Robertson county, Tenn., were married Saturday night just before midnight.

The couple reached here on the L. & N. accommodation that night. Finding the courthouse closed they appealed to the police to try to locate Deputy Wicks so that they might secure a license. The police were obliging and got on Mr. Wick's trail but failed to locate him until he went home about 10:30 o'clock. Learning of the dilemma of the couple he returned to town and issued the license and in the meantime the telephone was kept busy trying to secure the services of a minister. Finally Rev. A. C. Biddle was gotten on the phone and he agreed to come down and pronounce the ceremony.

As soon as he could dress he went to the police office and with the party as outlined above the vows were pronounced in the private office of the chief. Mr. and Mrs. May left yesterday morning for Pembroke where they will reside. The wedding was not an elopement.

Weaver-Chapman.

James Allen Chapman and Miss Frances Weaver will be married at Lafayette next Wednesday, August 12. Rev. Archie, of the Methodist church will officiate.

Colley-Hopson.

W. H. Hopson and Miss Sessie Colley were married Saturday night at the bride's home near Hawkins. Rev. Joel Hopson solemnized the ceremony.

WOMAN LEADS MOB

In Attempt To Lynch Assailant of Her Three-Year Old Child:

PHILADELPHIA, Aug. 10.—A frenzied mob of foreigners fought a detail of police, late last night, in an effort to lynch Joe Green, alias Joe Finestien, for an attack on Nellie Weiner, a three-year-old girl, Mrs. Weiner, mother of the child, incited the mob, and led them to a barber shop where Green had taken refuge. The police were obliged to force the door of the shop. Green had an open razor and refused to submit to arrest. One of the policemen felled him with a club, and he was dragged to a patrol, where the crowd fought hardest to get hold of him, but the prisoner was finally landed in a police station.

EVERY FAMILY SHOULD OWN ITS HOME.

The advantages of home owning are so great and so manifold that this is a subject which can never be too much discussed or too strongly impressed. It is opportune now, while so much building is being done in our city, to bring the matter again to the front. The Courier has on previous occasions presented it, and does so again in the hope that it will produce an impression on some minds and lead some now homeless families to enter the ranks of the home owners. For only good results can follow every addition to the number of those who are so situated that they can worship the Lord under their "own vine and fig tree."

Broadly speaking, the man who owns his home is a better citizen than he who does not own a home. Certainly some most excellent citizens do not own a home, for reasons satisfactory to themselves, but these are exceptions to the general rule. To own his home tends to make a man conservative. It leads him to take a keener interest in his home city, because he feels that he is more a part of it. It gives him a feeling of independence which elevates him in his own estimation and in that of his fellow citizens. It stimulates a habit of thrift which promotes contentment and happiness. And it gives to his children a starting point in life which cannot be gotten from a rented domicile.

All this is well understood. Statistics have never been compiled as to what proportion of our criminals come out of homes and what proportion come out of rented tenements or cottages. But only a casual investigation will show that in the very large majority of cases the defendants that are brought before our police and criminal courts do not know the real meaning of the word home, because it is something of which they have no actual experience. The body of dissatisfied agitators and professional grumblers is made up of homeless people. Socialism and all other isms of discontent could not exist if they could not feed upon the natural discontent which breeds in quarters that do not impart the comforting assurance of a home. So homeowning is conducive to the best citizenship, as it promotes thrift, independence, contentment and happiness.

Why, then, is it that there are so many of our fellow citizens who do not own their own homes? Undoubtedly it must be charged to the false notion, which one can hear expressed so often, that it is cheaper to rent than to own your home. Some otherwise men of good judgment share this notion, yet one

more fallacious was never entertained. It is true that taxes are high, and that insurance and other fixed expenses entail cost upon a house. But the renter doesn't escape this cost. In every case, when rent is paid, the sum total is a period of from ten to twenty years will amount to the value of that house, after the cost of all fixed expenses has been taken out. In other words, a tenant may pay rent for twenty years and at the end of that time be homeless, when the home would have been his if instead of renting it he had bought it.

This is so plain that a little figuring will soon convince any one who may doubt. Is it not surprising then that any one should rent, instead of owning his home? The objection that "I haven't the money to buy" does not hold, for under our modern system a home may be bought with a very small cash payment at the time, and deferred time payments just a little above the rental price, and this latter would have to be paid in any event. So every man can acquire a home, providing he is of that class who derive a regular income from regular employment, and such a home is bought as is in proper relation to his income.

The standing advice of Horace Greely to all enquirers used to be: "Go west, young man, go west." The underlying idea of this was, to secure a home. Better advice is "Acquire a home, young man, acquire a home." Home owning should be given all encouragement, because it means home loving; and even if it meant no more than that, there is a sense of security in feeling that there is one spot on earth where one may go and there rest and be at peace with himself and the world, one spot that is his very own, his castle in which he is supreme.—Evansville Courier.

AGAINST DISORDER

RESOLUTIONS WERE ADOPTED AT CADIZ MONDAY.

CADIZ, Ky., Aug. 12.—At a mass meeting of the citizens of Trigg county held at the courthouse in Cadiz last Monday, the following resolutions condemning lawlessness were unanimously adopted by a rising vote. The attendance at this meeting was so great that standing room in the courthouse was at a premium. The resolutions are:

Be it resolved, First, That as citizens of Trigg county, we believe the time has come when every one who is truly concerned about the welfare of the county should say so, and place themselves in opposition to all acts leading to a recurrence of similar events, which have been witnessed in this and surrounding counties. We desire peace and quietude, safety of person and property, and the restoration of confidence in each other, believing in the manly character of our citizenship, and that this appeal will not be in vain.

Second: We deplore the past, and hope for a speedy means of restoring proper confidence to a people by nature just and predisposed to peace. We regret that the means employed have unfortunately proven ineffective; rather incline to indict those so disposed to further acts of violence, than to subdue and palliate a disturbed state of public feeling.

Third: We do not advise the information of secret, oath bound Law and Order League as a remedy. They are apt to be vindictive in their nature, prompted by prejudice and guided by a fanaticism, the offspring of stamped reason. We prefer the open, manly effort of the individual, governed by practical, intelligent, and courageous reason.

Fourth: We commend the action of the citizens of Cerulean in condemning the burning of their depot, and at other places, and believe, with them, that it was a wanton act in utter disregard to the interest of several communities, not warranted by any act of the I. C. railroad.

Fifth: That a copy of these resolutions be furnished, for publication to the Cadiz Record, Louisville Courier-Journal, The Tobacco Planter, Guthrie Ky., The Hopkinsville Independent, and the Nashville Banner.

PROGRAM ARRANGED FOR THE FARMERS INSTITUTE AT SALUBRIA SPRINGS.

Alfalfa, Wheat And Good Roads Will be The Most Prominent Subjects Discussed.

The program for the farmers institute which is to be held at Salubria Springs on August 21-22 has been announced. Gov. Willson's name appears for an address and various other speakers will make the occasion one of profit to all who attend.

The plan this time is somewhat different from that of most institutes of this nature in that wheat, alfalfa and good roads will be the chief topics, one half a day being given to the discussion of each of these subjects. These are very important in as much as wheat has always been one of the principal crops of this region, alfalfa is coming more and more into general favor each year and the question of good roads is one of paramount importance to everybody, no matter what the crop to be hauled may be.

The program in its entirety is as follows:

FIRST DAY.

10 a. m.—Meeting called to order. Prayer by Rev. W. L. Nourse.

Address by Gov. Augustus E. Willson—Subject, "Why Should Farmers Co-operate?"

The importance of teaching the elements of agriculture in our public schools—Supt. W. E. Gray Prof. C. E. Dudley.

Noon adjournment.

1 o'clock p. m.—ALFALFA—

a. How to produce the proper condition for seed—Lowell Roundbush, New Richmond, O.; Jeff J. Carrott, Pembroke, Ky.

b. When to seed, and how much—P. E. Bacon, Trenton, Ky.; A. R. Gholson, Clarksville, Tenn.

c. Quantity and kind of fertilizer, and how to seed—W. A. Glass, Church Hill; W. D. Elliott, Montgomery county Tenn.

Controlled marketing—John Y. Lott, Lewisport, Ky.

Adjournment.

SECOND DAY.

10 a. m.—Meeting called to order. Prayer by Rev. E. W. Coakley.

The State Fair—John A. McClure, Hickman, Ky.; Senator J. W. Newman, secretary State Fair.

Poultry—Otis Crane, Lebanon, Ky.; Mrs. D. C. Williams, Pembroke, Ky.; Mrs. George Mimms, Trenton, Ky.

WHEAT—

a. Preparation for seed—J. B. Walker, of Commissioner's Staff; S. J. Banks, Trenton, Ky.

b. Amount of seed and when to seed—Dr. John P. Bell, Bell's, Ky.; George Mimms, Trenton, Ky.

c. Variety—Allen Owen, Church Hill; S. F. Williams.

d. Fertilizer—John A. Brownling, Church Hill; W. R. Dudley.

Noon Adjournment.

1 p. m. Good Roads—C. M. Hanna, of Commissioner's Staff.

a. What system is in use in Christian county?—County Judge C. O. Prowse.

b. How can we have a better system and better roads—County Attorney John C. Duffy and members of fiscal court.

BETTER THAN A YEAR AGO

But Crops are Slightly Below Ten-Year Average in Conditions.

WASHINGTON, Aug. 12.—That crop conditions in the United States were in the aggregate some better (2 per cent) on Aug. 1 than they were a year ago, but slightly (1 per cent) below a ten-year average condition on that date, is the opinion expressed by the crop reporting board of the department of agriculture in a supplemental report reviewing general crop conditions. The report mentions the crops that are above the average, including winter wheat, hay, cotton and tobacco. Corn, barley, rye, buckwheat, apples and flax are slightly below the average, potatoes being about 5 per cent and oats nearly 10 per cent below.

Big Revival At Guthrie.

GUTHRIE, Ky., Aug. 11.—A great revival is being conducted by the Christian church at this place. Evangelist L. E. Sellers and Leroy St. John, of Terre Haute, Ind., are in charge, and large crowds are in attendance at every service. The singing of Me. St. John, is exceptionally good.

COLORED BAPTISTS

OF KENTUCKY ARE HOLDING ASSOCIATION HERE

First Time Hopkinsville Has Entertained the Association in Twenty-Seven Years.

(From Tuesday's Daily)

The state association of colored Baptists will meet in fortieth annual session here tomorrow morning at 10 o'clock. The meetings will be held at the North Virginia street Baptist church except some special meetings which will be held at the tabernacle.

This meeting is a most important one in colored circles. Delegates began arriving yesterday and when they have all gathered they will number not less than three hundred and fifty, while several hundred lay visitors are expected. This is the first time that Hopkinsville has entertained the state association in about twenty-seven years. The meeting here represents a membership of about eighty thousand. Many of the most prominent members of the colored Baptist church of the state will be present during the meeting.

Today a ministers and deacons meeting is being held, this being merely preliminary to the official opening tomorrow. Tomorrow night at the tabernacle will be held the first public meeting.

The address of welcome from the local Baptist churches will be delivered by A. C. Brent, colored. It is not yet known who will deliver the responses or who will preach the introductory sermon.

The meeting will continue through Sunday and it is probable that all the meetings of the last day will be held at the tabernacle. A record breaking crowd is expected, especially toward the latter part of the week.

The annual sermon will be delivered tonight by Rev. R. Mitchell, of Bowling Green.

The temporary officers are Rev. W. B. Wood, of Elizabethtown, moderator, and Rev. J. C. Cross, of Mt. Sterling, secretary, but with the services of tomorrow Rev. J. W. Hawkins, of Lexington, will assume the duties of moderator and W. H. Steward, of Louisville, secretary.

POPULARITY CONTEST CLOSES

And Three Young Ladies Will Take a Trip to Niagara Falls.

The popularity contest, conducted by the Hopkinsville Messenger, closed Saturday night and the lucky young ladies were Misses Malda Younglove, Laurie Thurmond and Annie Bruff. These young ladies, under the care of Mr. and Mrs. E. W. Clark, will leave Friday for a visit to Niagara Falls and other points of interest.

HEAVY DAMAGES

HENDERSON, Ky., Aug. 11.—A rain and hail storm which passed over this region last night did damage amounting to at least \$100,000. The rain fell in a regular flood and this was accompanied by enormous hail storms. Fully sixty per cent of the tobacco crop is completely ruined and what is left is badly damaged. Other crops suffered in proportion.

FATAL EXPLOSION

CARROLLTON, Ky., Aug. 11.—John Lee, road supervisor, was killed and George Sanders, a workman, was fatally injured this morning by the premature explosion of giant powder which they were using in blasting.

AGAINST STOCK LAW

Jno. M. West, of Crofton, Will Speak Here.

John M. West, of Crofton, requests the New Era to announce that he will make a speech here on the first Monday at 1 p. m., in September, in opposition to the county stock law which is to be voted on at the coming election. Mr. West says he will speak in the circuit court room.

DIDN'T FIND HIM

BUNCH OF NIGHT RIDERS GO AFTER SUPPOSED DETECTIVE.

Their Quarry Had Left The Vicinity However.—Telephone Wires cut.—Operator Held Prisoner.

PALMYRA, Tenn., Aug. 11.—Sunday night between 1 and 2 o'clock a body of 50 or 60 masked men came into Palmyra in search of a man by the name of William Oneal, of Drakesboro, Ky., representing himself as an insurance agent. There are two roads leading in the direction of Shiloh over which telephone wires are strung. The wires were cut on both roads before the party arrived in town. Upon their arrival they went to the telephone exchange where they found the door unlocked and entering, covered the operator, R. N. Gleaves, who was asleep, with guns in the hands of four men. He was ordered to put on his shoes, when they took him down to a bridge about 500 yards distant, holding him about thirty minutes, during which time the hotel was searched for their man, Oneal. The latter, however, had left in the direction of Clarksville on the 7 o'clock train the previous evening.

Some of the men were on foot and others on horseback. They came down the two hollows that led into the town. The man for whom they were hunting had been in Palmyra for several days and had spent a good deal of his time about the store of Isham Davis, where he had passed himself off as an insurance agent, but he was thought, it seems, to be a detective.

After the failure to find their man the masked men left the same way they came. They were very orderly in every way, offering no violence to any one and discharging no firearms.

NATIONAL MEETING

Of Society of Equity Will be Held in Bowling Green.

The national meeting of the American Society of Equity will meet in Bowling Green at the courthouse on August 20th, and the board of control the day before, August 19th, when they will transact much business of importance.

The matter of setting a time for the big picnic and barbecue, which was to have taken place on Saturday last at Charles G. Davenport's farm on the Barren river pike will be discussed.

Prominent men in this line of business will be present.

FALLING TIMBER

Painfully Injures John C. White, on Jessup Street.

As John C. White was climbing a ladder to get to top of a stable he was building on Jessup street, a heavy plank which was leaning against the building fell and struck him on the head. Mr. White was knocked from the ladder and rendered unconscious but his injuries are not regarded as serious.

Shooting at Bennetts town.

At Bennetts town Saturday night John Wiggins was shot in the arm by Walter Gant, both parties being colored. According to the report received here Wiggins had a pistol in his shirt bosom and fired through the garment at Gant, but missed him. Gant then drew a big "gat" and fired at Wiggins as the latter ran off. The first bullet struck Wiggins in the arm and Gant was taking deliberate aim to fire again when the pistol was knocked up and the ball went into the air.

House Party.

Miss Jennie Coleman of Grapely, is giving a house party this week. Misses Grace Layne of Russellville, Francis Wilson, Elkton, Annie May Rudolph and Bertha Young of Clarksville, and Jared Coleman, of Memphis are in attendance.

THAW A BANKRUPT

PITTSBURG, Aug. 12.—Harry Thaw was today adjudged a bankrupt by the federal referee in bankruptcy.

Election Notice

CHRISTIAN COUNTY COURT.
IN MATTER OF
Establishment of a Graded Common School at LaFayette, Kentucky.
Order of Election.

At a regular term of this court, held on the 3d of August, 1908, and it appearing that the petition signed by the following persons:

"C. H. Bagby, C. B. Fraser, W. R. Rose, W. D. Rose, Samuel Bumpus, J. F. Kirkman, S. C. Northington, J. J. Ezell, E. J. Roper, J. F. Stone, F. J. Fraser, Walter Garner, R. L. Horn, W. N. Taylor, W. T. Keatts, R. S. Wootton and S. M. Fraser, was filed with the County Judge of Christian County at the last regular term of this court, which occurred on July 6, 1908, asking that a graded common school be organized with the boundary as follows:

"Beginning at a point on the Roaring Springs road, westwardly from Joe Ezell's residence including his farm—the above mentioned point being two and one-half miles from the Common School building in the town of La Fayette; thence southwardly to Joseph Beazley's farm, including same; thence southwardly to T. H. Joiner's farm, excluding same; thence southeast to and with Trigg county line to the Tennessee line, T. M. Clardy's farm, excluding same; thence with said line, eastwardly to a point north of F. T. Summer's farm, excluding same, thence northwardly to J. T. Hancock's farm, excluding same; thence northeast to east boundary at T. H. Elliott's farm including same; thence northwest to George Boddie's Baggett place excluding same; thence northwest to P. E. Sherill's farm excluding same; thence west to the intersection with LaFayette and Hopkinsville road and LaFayette and Mill road, excluding farms of Mrs. N. E. Combs and Sid Hancock's, to remain in the original Bennetts town district; thence northwest to Cayce farm, excluding same; thence more northwest to John Robinson's farm, excluding same; thence west to Charley Bagby's farm (formerly Thomas Terry), including same; thence southwest to the intersection with the Roaring Springs road at the farm of Joe Ezell's to the beginning".

And that the site of the building for the proposed graded school be the present site of the common school building for district No. 29, at the corner of Harrison and North Cross streets in the town of LaFayette, Kentucky, which site, is certified to be not more than two and one-half miles from any part of the boundary of said proposed district. And it appearing that said petitioners are tax payers, legal voters and residents of the proposed graded common school district and of the first justice district in this county. It further appearing that the county superintendent has endorsed on said petition his approval of same and that a majority of the trustees of said common school districts No. 29 and No. 17, which will be embraced in said proposed graded common school district in whole or in part, have endorsed their approval on said petition, as provided by law, and the court being sufficiently advised, orders that J. M. Renshaw, sheriff of Christian county, be, and is hereby directed, to cause a poll to be opened, and an election to be held at LaFayette, Kentucky, on the 12th day of September 1908. The same being forty days or more after the entry of this order, for the purpose of taking the census of the legal voters, residing within the boundary of said proposed graded common school district, whether there shall be levied and collected an annual tax of fifty cents on each \$100. of property value therein, subject to state and county taxation owned by white persons; and \$1.50 of poll tax on each white male inhabitant of said proposed graded common school district over twenty-one years of age, for the purpose of establishing and maintaining a graded common school district therein, as provided by law.

The officers of said election will also cause the legal voters of said proposed graded common school district to vote for five persons to be trustees of same in case said tax shall be approved. The officers of said election will make return in due form, and according to law of the result of said election at the earliest day practicable, after said election shall have been held.

CHARLES O. PROWSE
Judge of Christian County Court
Notice is hereby given that in obedience to the above order of the county court of Christian county, I will hold an election at the time and place indicated therein from seven o'clock, a. m. until four o'clock p. m. for the purposes set out in said order; and that said election will be held in common school building for district No. 29, at LaFayette, Kentucky. Those who may vote are white males over twenty-one years old, who have been residents of the proposed graded school district for sixty days, and in the county for six months, and in the state, one year preceding day of said election, August 14th, 1908.

J. M. RENSHAW,
Sheriff of Christian County.

LAWYER'S FEES

HARRY THAW TELLS HOW THEY BROKE HIM.

Mentions Amount Paid by Himself and Mother of Nearly One-Half Million Dollars.

POUGHKEEPSIE, N. Y., Aug. 11.—From his cell in the county jail here Harry K. Thaw gave out the following statement concerning the claims filed against him by various lawyers, which, he asserts, forced him into bankruptcy:

"In this morning's paper I read that Mr. O'Reilly makes a claim for more money. That is a matter for former Gov. Stone, my counsel in Pittsburgh, to take charge of. There seems no reason for me to discuss the different claims, and, therefore, I have nothing more to say, except regarding one fact.

"The sums already expended and the names of the lawyers and others to whom I paid the money were clearly stated in the newspapers. There is only this much to add: Besides the heavy total of about \$417,000 that I paid out myself, my mother paid our family physician and gave about \$47,500 additional to Mr. Hartridge, making \$105,000 received by his firm prior to April 16, 1907.

"My mother also made a present of \$25,000 to Mr. Delmas. This made, with his actual fee paid by me, \$50,000 in all that he received for his able services. Mr. Delmas' bill for expenses was less than \$1,000, and is included in the \$20,000 item for detectives and sundries."

Called to Virginia.

Prof. Edmund Harrison of Bethel college received a telegram last night apprising him of the critical illness of his brother at Danville, Va. Prof. Harrison left last midnight for the bedside.

FIRST MEETING

OF SCHOOL IMPROVEMENT LEAGUE WILL BE HELD FRIDAY.

Constitution and Bylaws Will be Adopted and Many Matters of Importance Considered.

The Christian County School Improvement league, which was formed last Friday at the teachers' institute, will hold its first meeting at the courthouse on next Friday afternoon at 3:30 o'clock.

This meeting will be a most important one to the new organization for among the matters which will come up at that time will be the adoption of bylaws and constitution.

All persons who are interested in the development and betterment of the schools of the county, no matter whether you are a school teacher or not or whether you have joined the league, are urged to attend the meeting and take part. Since the league was organized the charter members have shown much interest in the work and the organization promises to be a means of much good.

SHAKE-UP IN OFFICE

Illinois Central Makes Changes At Princeton.

PRINCETON, Ky., Aug. 11.—A change in Illinois Central railway officials took place here. Assistant Superintendent L. E. McCabe, of the Nashville division, being transferred to the Paducah and Evansville division with headquarters at Paducah. The assistant superintendent's office of the Nashville division and the trainmaster's office at this place have been abolished. This will let out several office men and, added to the change of several weeks ago, will make things pretty dull in railway circles here.

TOBACCO NOTES

The duller period on the local tobacco market since the present season began was last week. An unaccountable slump took place and sales were very light. There seemed to be no demand for tobacco except in a few instances, and then only a few hogsheads were wanted.

The sales by the Planters' Protective association amounted to only 28 hogsheads. In the face of the decreased sales the full schedule prices of the organization are being maintained and prices last week ranged for that sold from \$7 to \$10.50 for lugs, and from \$10.50 to \$13 for common leaf. Receipts were nine hogsheads.

Business with the Society of Equity was dull in about the same ratio, few sales being made, but the prices set by the society being secured for all that figured in the deals.

Soaking rains fell during the latter part of the week, and these are expected to work wonders in bringing out the growing crop which in many cases was very backward. It is reported that the most advanced crops will probably be ready for cutting by the latter part of this week.

Business of the Planters' Protective association throughout the Dark Tobacco district for the week ending August 1 shows a slight increase over the preceding week. The officials of this organization say they confidently expect a resumption of the heavy buying within a very short time, and that the entire crop now on hand will then be quickly disposed of. The report of Auditor John D. Seales, for the ten markets in the district, is as follows:

JOHN D. ANDERSON

PRESIDENT OF EMPIRE COAL COMPANY IS DEAD.

He Died Saturday Afternoon After an Illness of Five Months.—Was Well Known Here.

The Nashville Tennessean of Sunday gives the following account of the death of John D. Anderson, of that city. For many years Mr. Anderson has been president of the Empire Coal & Mining company of this county, and had many friends here.

"It will come as a great shock to many of the friends of Mr. John D. Anderson to learn that he died yesterday afternoon, after a lingering illness of about five months duration. Mr. Anderson was thought to be getting along very well until about three weeks ago, when he was attacked suddenly with his old trouble, and from that time until his death yesterday he has been sinking, and his doctors did not have much hope for him. He died at the residence of his daughter, Mrs. Sam Anderson, 911 Sixteenth avenue, south.

"Mr. Anderson was born in Warrenburg, Mo., in 1845, and lived there quite a number of years. He removed to this city about thirty-five years ago, and has resided here ever since that time. Just before coming to Nashville to live he married Miss Lucy Thomas, of Independence, Mo., by whom he is survived. He was quite well known in this city, and was one of the most prominent business men here, besides being a very active member of the Edgefield Baptist church.

"Mr. Anderson was connected with the Empire Coal company, and it was chiefly due to his efforts that the company was formed. He was known to be a man of the strictest business principles, and was never known to do anything in the business or the social world that was not becoming his station. He was a great lover of his family, and even when he was not confined to his home by illness, was never away from there except when attending to the duties arising from his business.

"Mr. Anderson is survived by three children, Harry Anderson, a well known young business man of this city; John D. Anderson, Jr., and Mrs. Sam Anderson, with whom he lived and at whose house his death took place. He is also survived by three brothers, the Rev. Chas. Anderson, of Russellville, Ky., William Anderson, of Helena, Ark., and Dr. Jas. Anderson, of Warrensburg, Mo. Mrs. Reuben Reeves, his only sister, also survives him.

"The funeral services took place Sunday afternoon at the Edgefield Baptist church, after which the interment took place at Mt. Olivet."

PISTOLS AND KNIFE

(From Tuesday's Daily)

Sarah Wheeler and Clara Hester, both colored, let their angry passions rise over some matter of disagreement and while blinded by her rage the Wheeler woman cut the Hester negress about the head and face, causing painful and bad wounds.

Because, it is alleged, Will Carter, a section hand on the Tennessee Central railroad, had imposed on Jim White, aged fifteen years, the boy secured a pistol and renewed the difficulty and shot at Carter five times. Only two bullets took effect, one striking Carter in the shoulder and the other in the arm. The shooting occurred at Edgerton last Saturday. White surrendered to Magistrate Walton Garrett and was released under \$200 bond. He will be tried some time this week.

Ruben Roach shot and wounded Anderson Rawlins, in the Pembroke vicinity, this morning. Details are meager but from the report received here there was no cause for the deed. According to this report Rawlins was sitting on a bale of hay and Roach came up with a pistol in his hand and pointing it at Rawlins said, "You don't think I will shoot this gun, do you?" With the words he pulled the trigger and the ball struck Rawlins in the jaw and ranged around his head into the back of his neck.

It is said that a warrant will be sworn out this afternoon for Roach.

END IN SIGHT

OF THE TRIAL OF JAKE ELLIS AT MURRAY.

Case Will Go to the Jury This Afternoon—State Makes Charges Against Defense.

MURRAY, Ky., Aug. 11.—The trial of Jake Ellis, charged with night riding, will be concluded here today. Judge Cook gave the instructions to the jury this morning and the speaking began immediately.

The state caused something of a sensation when they charged the defense with attempting to intimidate witnesses during the investigation of the Night Rider raids.

The defense introduced W. A. Patterson, Felix Bailey, D. L. Thomas, Charlie Shackelford, Will Moody, who each stated that they were present at the camp of the state guards after Wiley Stewart had joined them and heard him make the statement that he knew the authorities had evidence enough against him to convict him, and that he understood there was a reward for every one convicted, and he might as well have the money as any one else. The witnesses are bondsmen for alleged Night Riders.

Bob Duncan was next introduced and denied having any connection with the burning of Smoot Hendricks' barn, writing the note of warning or administering the oath to Will Ingram as testified to by Mr. Ingram. Kelsey Kirk, who was implicated in the above occurrence, also made denial. In cross questioning Kirk, Attorney Smith attempted to connect him with the Hopkinsville raid. He denied being implicated in the raid and denied stating that the horse he rode for some time afterward was the one that hauled in Geo. Gray, who was killed in the raid and that he saw him fall. He says that on the night of the raid he was in Tennessee. He admitted that he was at the time teaching school at Montgomery, in Trigg county, and on being closely questioned had to admit that he had forgotten just what he was doing in Tennessee at the time but he supposed he closed his school for the time.

Jasper Garland and Josh Cunningham, both under indictment as Night Riders, denied having any connection with the whipping of Willie Dyer or the burning of Smoot Hendricks' barn, as stated by Will Ingram.

John Falwell, Joe Clark, Newt. Ragsdale and others testified as to the general reputation for veracity of Moses Thornton. All they knew seems to have grown out of an old church trouble which occurred ten or twelve years ago. Commonwealth Attorney Deputy P. Smith and County Judge A. J. G. Wells spoke for the prosecution.

SECRET WEDDING

Mrs. Flowers and Dr. Grace Married in Indiana.

Details of the secret marriage at Jeffersonville, Indiana, of Mrs. Myrtle Flowers, of Crofton, and Dr. Lucian Grace, of near Kirkmansville, have just leaked out. The marriage was solemnized several days ago and the couple intended to keep their secret until September.

The bride is a handsome and talented young woman. She was formerly married to Mr. Word, of California, but secured a divorce at the February term of court. The groom is a prominent young citizen of Kirkmansville, who still lacks one year of completing his course of study in a dental college.

To Undergo Operation.

Deputy Marshal Smith Childers went to Louisville Sunday to have an operation performed on himself at Norton's Pharmacy. Mr. Childers suffers constantly as the result of the bullet wound he received at the hands of Jake McDowell. The bullet in his side was never located and he will endeavor to have it removed. He has never regained his former strength and has been advised that an operation is imperative. City Marshal H. L. Sutton accompanied him to Louisville.—Providence Enterprise.

6 Pieces "Sanito" Cooking Ware

Absolutely Given Away!

FREE

Absolutely Given Away!

What "Sanito" Is

It is the ware you see advertised in all the leading Ladies magazines, especially those dealing with the culinary art. It is never sold at retail and you cannot buy it from the manufacturers for a penny less than \$2.50 per set and expressage. The great excellence of earthenware cooking vessels over tin or iron is known to all, but the difficulty has always been the increased cost of the earthenware. By using Sanito earthenware cooking vessels you secure the very best results, the food will not burn or stick, there is no danger of ptomaine poisoning and no odor remaining in the vessel.

Sanito ware, produced by a skillful blending of clays, is mechanically perfect, of convenient sizes and shapes for all ordinary purposes. Sanito will cook food evenly and without burning it. It has an inside lining burnt right into the clay, which is absolutely acid proof, and never cracks nor scales. You can cook anything from strawberries to cabbage in Sanito without one kind becoming tainted or discolored from what preceded.

Doctors, hospitals, sanitariums and thousands of progressive housekeepers use it exclusively. Its cleanliness and wholesomeness makes it especially valuable in preparing food for the sick, while for all general cooking purposes it should displace unwholesome and dangerous metal vessels.

The fact that Sanito is a non-conductor of heat makes it more economical to use than other ware. It retains heat much better than metal. It will be particularly welcome in homes where the difference between "cooked" and "well cooked" food is appreciated.

How To Get It

To every person who subscribes to the Weekly New Era, paying \$1.00 for one year in advance and 86c for expressage and packing charges, we will give ABSOLUTELY FREE a full set of this \$2.50 ware—the genuine Sanito.

To every person who is now taking the New Era and who pays up all arrearages, if any, and one year in advance and the 86c for the expressage and packing charges, we will give a set of Sanito.

Orders given to agents will not be accepted on this offer—everything must come direct to this office. We are making an unusual concession in offering this ware and cannot afford to pay agents' commissions too.

Every set comes packed in a separate box and we have a supply on hand, so that when your order is received it can be delivered promptly. This ware is delivered free of all charges at this office. If further express or freight charges are necessary they must be borne by the purchaser.

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deep-seated. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney trouble. If kidney trouble is allowed to advance the kidneys poison the blood, will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell.

Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy.

It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases.

Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

ANGER IN DELAY.

Kidney Diseases Are Too Dangerous For Hopkinsville People To Neglect.

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which have cured people right here in Hopkinsville.

Miss L. A. Hester, 826 North Main St., Hopkinsville, Ky., says: "I believe that there is little need of anyone suffering the tortures of backache when such an effective remedy as Doan's Kidney Pills can be procured at L. A. Johnson & Co's drug store. The prompt and thorough relief which followed their use in my case has given me abiding faith in their merits. In the summer of 1908, I was suffering greatly from a soreness and lameness across the small of my back and other difficulties arising from a weakened condition of my kidneys. By the use of Doan's Kidney Pills was all that was required to free me from the distressing pain in my back and restore my kidneys to a healthy condition. I recommend Doan's Kidney Pills and now at the end of four years I still hold the same good opinion of them."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's—and take no other.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. H. CHENEY & Co., Toledo, O.

Excellent Health Advice

Mrs. M. M. There is more health for the digestive organs in a bottle of Electric Bitters than in any other remedy I know of." Sold under guarantee at Cook & Higgins and Cook's Pharmacy.

STATE MEETING

OF THE FARMERS UNION ADJOURNS AT PADUCAH.

Officers Were Elected And Much Business Was Transacted.—Association Holds Meeting at Princeton.

PADUCAH, Ky., Aug. 10.—After the Kentucky convention of the Farmers' Union adjourned, the delegates marched down the length of Broadway with their county banners and dispersed at the foot of the street. The executive committee was in session all day, but gave out none of its proceedings. It is probable that Secretary Barnett will have his headquarters toward the center of the state, where he will be in better touch with the central and eastern sections, having secured a good foothold in the west. Twenty-two counties were represented at this convention.

At the morning session the following state officers were installed: President, Robert Johnson, Tolu, Crittenden county; vice president, A. L. Willson, Hickory Grove, Graves county; Chaplain, W. W. Moore, Paducah; conductor, J. L. Robertson, Mayfield; secretary and treasurer, R. L. Barnett, Paducah; doorkeeper, J. C. Denton; executive committee, Like Thomas, Folsomdale; Sam P. Jones, Cunningham; John Grady, Calverly City; T. B. Latta, Fulton; M. B. Tabb, Woodville.

The convention closed Saturday morning at 3 o'clock, but the executive committee remained in session with the officers all day, deciding on the headquarters and making arrangements to pool the crop, warehouse it and finance the work of the organization.

It was announced that a meeting of state presidents will be held at Memphis, August 26. There are twenty-six states in the organization, principally in the west and south.

Growers' Meeting.

PRINCETON, Ky., Aug. 10.—The Caldwell county tobacco growers' held a very interesting and enthusiastic meeting at the courthouse in this city. Several interesting speeches were made, among the speakers being County Chairman Hollowell, the Hon. J. E. Baker, of this city, and the Hon. Max Hanberry, of Cadiz.

Mr. Hanberry made the principal speech. He spoke in a quiet, deliberate and convincing manner in the interest of the farmers, and during the course of his remark he said that he had been in years gone by a friend and admirer of Augustus Willson, but now had enough of him and expressed a desire that God would forgive him for voting for him for governor. All the speeches were well received.

GOODWIN IS WELL

And Upon Leaving the Hospital he Disappears.

He has disappeared and all attempts to locate him have failed.

HIS CROWN JEWELS.

ST. PETERSBURG, Aug. 8.—A special dispatch received here from Teheran says the Shah of Persia has obtained a loan of \$250,000 from a Russian bank having deposited the crown jewels as security. This money will be used in fitting out an expedition against Tabriz.

OF HYDROPHOBIA

W. S. ALLEN DIES AT WYNNE, ARKANSAS.

He Was Bitten by a Dog In This City Nine Months Ago And Had Taken Pasteur Treatment.

(From Friday's Daily)

W. S. Allen, who was bitten by a dog in this city on the night of November 6, 1907, and who went to Chicago and took the Pasteur treatment there, died last night at Wynne, Arkansas, of hydrophobia. The news that the dread rabies had developed was conveyed in a telegram which was received by relatives here last night, this stating that the first symptoms of the trouble were noticed yesterday morning. This morning another telegram was received stating that Mr. Allen had died.

The dreadful news came as a surprise to everyone for, with the exception of his physician, everyone thought the Pasteur treatment would prevent hydrophobia from developing. The physician states however that Mr. Allen's face was so terribly lacerated by the dog that the officials of the Pasteur Institute stated that it was the worst case they had ever treated and were not very hopeful of the treatment being successful.

Mr. Allen was bitten as he entered his home by the back way on the night of November 6. The dog, which belonged to a neighbor, attacked him savagely and tore the flesh of his face in a terrible manner. One of the dog's fangs entered a vein on his neck and for two months this oozed blood occasionally and was regarded as the most dangerous wound as it let the poison directly into the blood. When he was taken to Chicago he could not talk or eat and for two weeks had to be fed with liquids which he took through a tube.

Returning from Chicago, Mr. Allen remained here for a short time and then went to Nashville where he was married, and later the couple went to Arkansas.

The afternoon before Mr. Allen was bitten, the same dog attacked Mrs. J. W. Mitchell as she was walking along the street. The dog reared up and tore Mrs. Mitchell's clothing and made a slight bruise on her shoulder. Every one who witnessed the attack says that the dog did not bite Mrs. Mitchell and that the wound was caused by the canine's claws. Nevertheless Mrs. Mitchell went to Chicago and took the Pasteur treatment also and no fears are felt for her.

Mr. Allen was about thirty years of age and has a number of relatives living here. The body will be brought here for interment.

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the nerves that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling nerves. To doctor the Kidneys alone, is futile. It is a waste of time, and of money as well.

If your back aches or is weak, if the urine is cloudy, or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggist recommend and sell.

In matter of Hopkinsville Lumber Company, bankrupt, in bankruptcy.

OWENSBORO DIVISION.

In pursuance of an order of sale entered herein, the trustee, the Planters Bank & Trust company, will, on Tuesday, the first day of September, at ten o'clock, a.m., sell at public auction, to the highest bidder on a credit of six months, at the plant of the Hopkinsville Lumber company, situated in and near the city of Hopkinsville, Kentucky, in which said company recently did business the following property, to-wit: Two parcels of land situated near Hopkinsville, in Christian county, Kentucky, described as follows:

FIRST TRACT: "Beginning at a point marked by a stake on the Canton pike; thence with the west edge of said pike, with the meanders thereof, 300 feet to the corner of M. F. Crenshaw's lot on said pike; thence with a line of said Crenshaw, N 63°, W 410 feet to a stake another corner of said Crenshaw, thence, at right angles to said second line, or S 26° W 300 feet to a stake; thence with a straight line from said last stake to the beginning; but excepting and excluding from this conveyance a lot on the most easterly corner of said parcel, fronting fifty feet on Canton pike and running back one hundred feet on the northeastern boundary, more or less, which excepted strip or lot was conveyed to C. L. Mayes, and his deed is referred to for accurate description of same. This is the same lot conveyed to J. A. Wallace and W. A. Adcock on the 28th of January, 1904, by deed from Fannie Phelps, Corrie Phelps and Lillie B. Phelps, now recorded in Christian county clerk's office in Deed Book No. 107, at page 119, and the said Adcock's interest in said lot was conveyed by him and wife to said R. H. DeTreville, on the 28th day of December, 1906, by deed recorded in Deed Book No. 113, at page 369, in the same office."

SECOND TRACT: "Was conveyed to said Wallace & Adcock, jointly on March 8, 1904, by Fannie Phelps, Corrie Phelps and Lillie B. Phelps by deed recorded in same office in Deed Book No. 112, page 139, and the interest of W. A. Adcock in same having been conveyed by him and his wife to R. H. DeTreville by deed dated December 28, 1906, recorded in same office in Deed Book 113, page 369. It is described as follows, to-wit: A certain lot or parcel of ground situated near the western limits of the said city of Hopkinsville, in the county and state aforesaid, on the west side of the Canton pike or street, adjoining the property now owned and occupied by the parties of the second part, (referring to Wallace & Adcock), being a part of the land devised to the parties of the first part, (referring to grantors, Fannie, Corrie and Lillie Phelps), and their sister, by the will of their mother, Mrs. Cornelia F. Phelps, dated Feb. 13, 1888, and recorded on September 13, 1898, in the office of the clerk of the Christian county court, in Will Book Y, at page 384, and the interest of said sister, Mattie U. Phelps, devised to said grantors, Fannie Phelps and others by her will of March 5, 1899, and recorded in said office on August 7, 1899, in Will Book Z, at page 56, and the lot herein conveyed being bounded and described as follows to-wit: Beginning at a stake, Wallace & Adcock's north corner, (now Wallace & DeTreville's) also Kach's corner; thence in a westerly direction 631 feet to a stake in the line of the Tennessee Central railroad right-of-way, being 83 feet south of southern gatepost; thence in a southerly direction and with said railroad right-

LEAGUE FORMED

FOR IMPROVEMENT OF SCHOOLS IN CHRISTIAN COUNTY.

Institute Will Close This Afternoon After a Most Interesting Session.

(From Friday's Daily)

Following the address made before the teachers institute this morning by Mrs. Charles P. Weaver, of Louisville, an organization of the teachers was perfected which is to be known as the Christian County School Improvement league. The purpose of this league is to improve and better the schools of the county in every way possible and the members pledge themselves to this end. Practically the entire enrollment of the institute joined the league and officers were elected as follows—W. E. Gray, president; Miss Katie McDaniel, vice president; Miss Elizabeth Rascoe, secretary. Various committees are provided for by the constitution of the league and these will be selected later. The teachers were very enthusiastic over the formation of the league and it is expected to exert a great influence for the upbuilding of the schools.

At the regular session of the institute this morning, Miss Westcott's subject was "Story Telling in Connection With School Work." In this Miss Westcott showed how the story might be used in drawing and holding the attention of a child while teaching the lesson and also what a great factor it was for correcting false impressions.

Dr. Kinnaman told the teachers how the deductive and inductive methods might be used to advantage in their work.

The address of Dr. Kinnaman last night on "The Advantages of More Education" was heard by a large and thoroughly pleased audience. Dr. Kinnaman has made a most favorable impression during his stay here this week, but in nothing has he been more pleasing than in his lecture last night.

The institute will complete its work this afternoon and will adjourn. This session is regarded as one of the best in every way which was ever held here.

of-way, four hundred and forty-seven, (447) feet to a stake in said right-of-way; thence in an easterly direction eight hundred and fifty-eight (858) ft. to west edge of Canton pike, at a stake; thence in a northeasterly direction and with the west edge of the said Canton pike two hundred and sixty-nine (269,) feet to the corner of Wallace & Adcock's, (now Wallace & DeTreville) present lot of said pike; thence with their present line and in a westerly direction, three hundred feet to another of their corners; thence with their present western line in a northerly direction, to the point of beginning, containing by survey of Rodman Y. Meacham, eight 63-100 acres (83.3)."

Also, all the machinery and appliances, which constitute the plant recently operated by said company; also certain lumber and materials and other personal property.

Said real estate will be first offered in two lots together with the machinery as follows: The second tract of land, described above with the buildings situated thereon will be offered first, then the first tract of land with the buildings thereon, together with all the machinery except three pieces of machinery of which J. A. Fay & Egan Co., has lien, which will be sold separately; then, the two lots of real estate, together with all the machinery except the three pieces above named will be offered as a whole, and the sale made in the way that most money will be realized. Then, the three pieces of machinery above described, which is the machinery that J. A. Fay & Egan company, of Cincinnati, Ohio, have a lien on will be sold separately. Then, the material, lumber and other personal property will be sold separately.

The purchaser or purchasers for the real estate and machinery will be required to give bond with good security, or may pay cash. The lumber and other personal property than the machinery will be sold for cash.

This is a thoroughly well equipped plant, and Hopkinsville is a good location for a planing mill and lumber contracting business. For further information, address the Planters Bank & Trust Company, or Hunter Wood & Son, Hopkinsville, Ky. July 29, 1908.

CAMPAIGN TOURS

FOR W. J. BRYAN ARE MAPPED OUT.

Democratic Nominee Will Probably Speak in Every Large City in the Country.—No Dates Set

BUFFALO, N. Y., Aug. 7.—William J. Bryan will make several campaign tours, which will embrace nearly all parts of the country, speaking in most of the principal cities between the Atlantic and Pacific coasts. The candidate's itinerary is now under preparation by Norman E. Mack, chairman of the Democratic National committee, who made known today the general plan of the tours. John W. Kern, the Democratic vice president candidate, will likely accompany Mr. Bryan on part of the trip, and Chairman Mack hopes to arrange to have Mr. Kern to speak with Mr. Bryan when he makes his visit to New York state. Mr. Mack said:

"While the present plans are tentative and subject to change, Mr. Bryan will make several tours which will take in practically the whole United States. He will speak only in the large cities, and will not attempt to do the exhaustive work that he has done in other of his campaigns. Soon after the nomination of Mr. Bryan in Lincoln, he will speak in the middle section of the country, visiting Chicago, Cleveland, Cincinnati, St. Louis and other cities. Later Mr. Bryan will go east and on this trip I am planning to have Mr. Kern make a joint speaking tour with him.

"The Pacific coast states also will be visited by Mr. Bryan, probably after the trip in the east. No definite date for any of the cities has been set and will not be for some little time. Mr. Kern will be actively engaged during the campaign with speeches, making tours through the principal parts of the country."

Chairman Mack is still engaged with the section of the subcommittee of the national committee which will have the direction of the Democratic campaign.

DANGER IN DELAY.

Kidney Diseases Are Too Dangerous For Hopkinsville People To Neglect

The great danger of kidney troubles is that they get a firm hold before the sufferer recognizes them. Health is gradually undermined. Backache, headache, nervousness, lameness, soreness, lumbago, urinary troubles, dropsy, diabetes and Bright's disease follow in merciless succession. Don't neglect your kidneys. Cure the kidneys with the certain and safe remedy, Doan's Kidney Pills, which has cured people right here in Hopkinsville.

Miss L. A. Hester, 26 North Main St., Hopkinsville, Ky., says: "I believe that there is little need of anyone suffering the tortures of backache, when such an effective remedy as Doan's Kidney Pills can be procured at L. A. Johnson & Co's drug store. The prompt and thorough relief which followed their use in my case has given me abiding faith in their merits. In the summer of 1903, I was suffering greatly from a soreness and lameness across the small of my back and other difficulties arising from a weakened condition of my kidneys. Two boxes of Doan's Kidney Pills was all that was required to free me from the distressing pain in my back and restore my kidneys to a healthy condition. I recommend Doan's Kidney Pills and now at the end of four years I still hold the same good opinion of them."

For sale by all dealers. Price 50 cents Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name Doan's—and take no other.

STOPS ITCHING INSTANTLY

Eczema, Pimples, Rashes, Blisters, Eruptions, etc., Quickly Eradicated by New Skin Remedy.

Since the discovery of "A. J. M." Prescription, the new skin remedy, its success has exceeded the most sanguine expectations of the dispensers who gave it to the world. It has cured thousands of cases of eczema and cleaned the skin of facial disfigurements and repulsive pimples of years' standing. The burnings and itches of eczema are stopped with the first application.

In minor skin troubles such as rashes, blotches, pimples, blackheads, barber's itch, salt rheum, itching piles, red noses, dandruff, oak and ivy poison, oozed feet, results show after a few applications. A muddy, greasy or scaly complexion is quickly improved over night. Sold by all druggists. Price 50c. and \$1.00. The A. J. MARTIN MEDICINE CO., Props., Toledo, Ohio.

BOY TORTURED BY AWFUL HUMOR

Almost Covered with Eczema—No Night's Rest for Nearly a Year—Feared Lifelong Disfigurement—All Treatments Failed and Limit of Endurance Seemed Near.

PERFECT RECOVERY IS DUE TO CUTICURA

"With the exception of his hands and feet, my son Clyde (thirteen years old) was almost completely covered with eczema. Physicians treated him for nearly a year without helping him any. While they were very kind and did all in their power, yet nothing seemed to relieve him. And I had tried many remedies sent to me by kind friends but they all failed. His head, face, and neck were covered with large scabs which he would rub until they fell off. Then blood and matter would run out and that would be worse. Many a time he looked as if his ears would drop off. Friends coming to see him said that if he got well he would be disfigured for life.

"When it seemed as if he could possibly stand it no longer, I decided to try Cuticura. I bought a cake of Cuticura Soap, a box of Cuticura Ointment, and a bottle of Cuticura Resolvent. I used them in the evening and that was the first night for nearly a year that he slept. This may sound exaggerated to you, but in the morning there was a great change for the better. In about six weeks you could not have told that he had ever had anything wrong with him. I treated him twice a day for six months and at present he has a fine complexion and not a scar on his body. This story may seem overdrawn, but neither words nor pen can describe Clyde's suffering and how he looked. Our leading physician, Dr. [redacted] recommends the Cuticura Remedy for eczema. Mrs. Alvy Cookburn, Shiloh, O., June 11, 1907."

Frequent washings with Cuticura Soap and weekly dressings with Cuticura stop falling hair, remove crusts, scales, and dandruff, destroy hair parasites, soothe irritated, itching surfaces, stimulate the hair follicles, supply the roots with nourishment, loosen the scalp skin, and make the hair grow upon a sweet, wholesome, healthy scalp, when all other remedies fail.

Complete External and Internal Treatment for Itch of the Skin, Eczema, and All Affections of the Skin. Cuticura consists of Cuticura Soap (25c) to Cleanse the Skin, Cuticura Ointment (25c) to Soothe and Cure, and Cuticura Resolvent (50c) (or in the form of Chocolate) to Purify the Blood. Sold throughout the world. Foster Drug & Chem. Co., Small Port, Cuticura Soap on Skin Diseases.

DENIAL IS ENTERED

BY PRESIDENT OF AMERICAN SNUFF COMPANY

That Buyers Had Made Agreement Not to Buy Tobacco For Purpose of Injuring Association.

In a letter to the Clarksville Leaf-Chronicle, Martin J. Condon, president of the American Snuff company, gives his reasons for curtailing the purchases of tobacco in the dark district.

NEW YORK, Aug. 3, 1908.—Daily Leaf-Chronicle, Clarksville, Tenn.—Gentlemen: Our attention has been called to an article that recently appeared in your paper, which in substance states that there is an impression among the farmers that the decrease in the sales of tobacco is a part of the plan of the trust to do everything in its power to embarrass the organization.

By "the organization" we understand that you mean the Dark Tobacco Planters' Protective Association of Kentucky, Tennessee and Virginia, and by "the trust" we understand that you mean this company, or at least to include this company as a part of the trust.

There have been a great many things stated in newspapers, and otherwise, about this company in the section where it buys tobacco, which we have wisely or unwisely ignored. So far as any of these things stated or implied that there existed any sort of an arrangement or agreement between this company and any other buyer of tobacco—whether Regie or other—these statements are absolutely untrue and have been utterly without foundation.

We have concluded, with respect to this particular statement at least, to ask you to publish our explicit denial of what the article in question says is the general impression among practically all the farmers.

We are buying now, and have always bought, tobacco absolutely independently and with no connection, understanding, co-operation or agreement between us and any other buyer of tobacco. The reduction in our purchases at the present time is not part of any plan to do anything to embarrass the Dark Tobacco Planters' organization, but it is simply and only due to the fact that we have already on hand a large surplus of tobacco suitable for our needs than we usually have, and as large a surplus as our business warrants us in carrying. This condition naturally diminishes our purchases, for the time being, and our action in this respect has been without any agreement, understanding co-operation or consultation with any other buyer of tobacco whatsoever.

Very truly yours,
AMERICAN SNUFF CO.,
MARTIN J. CONDON, President.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; it is the discovery of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, urinary acid, catarrh of the bladder, and Bright's disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work and in private practice, and has proved so successful in every case that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all good druggists. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Eczema is Curable
ZEMO, a scientific preparation for external use. Stops itching instantly and destroys the germs that cause skin diseases. Eczema quickly yields and is permanently cured by this remarkable medicine. DEATH PENALTY

IS FIXED BY THE NIGHT RIDERS' OATH

Says Wiley Stewart in His Testimony at Murray.—Much Evidence is Produced by Commonwealth.

MURRAY, Ky., Aug. 8.—Wiley Stewart, one of the witnesses for the prosecution in the alleged Night Rider trials, today gave the oath in detail which he says all new recruits to the Night Rider bands are forced to take. This oath provides a death penalty for any who may tell the secrets of the Night Riders.

The first witness was James Whitlock, a young farmer and night operator at Shiloh, who said he was forced to join the Night Riders in order that he might cut off the switch whenever a raid was in progress. He said Jake Ellis and Van Elkins made him join. They visited him the fourth Monday in March for the ostensible purpose of trading horses, but after they got him in the barn he said they made him kneel on a horse blanket and take a blood curdling oath, with his hand raised in the air. He could not remember the words.

Afterward, he said, they gave him the signs, grips and passwords. The sign was three whistles and the password "The Silent Brigade." He said they asked him if he wished to join, and when he said no they said he would have to, that "We are two to your one, but we can be 250 to your one."

The Commonwealth called fifty witnesses and the defense ten. Commonwealth's Attorney Denny Smith read the indictment, but did not state what he expects to prove. Then the witnesses were separated, something Judge Cook did not wish to waste the time in doing but finally agreed to.

The jury is composed of James K. Miller, E. J. Williams, Pat Beale, Montie McQuestion, W. S. Shoemaker, M. Dixon, R. S. Griffin, B. J. Brinn, S. O. Miller, Mat McDaniels, C. E. Hatcher and O. F. Curd. Wiley Stewart told of the proposed plan to attack Murray. The purpose was to whip Griffith and Pitts, tobacco buyers, and Henry Dees, the banker, who had not acceded to all their demands to advance money on tobacco. At the meeting discussing to plan to raid the town, it was said in passing that 3,500 members of the band were needed in different counties. It was finally decided to postpone the attack on Murray until fall.

Joe Bell and Clay Garland, witnesses said, were sent into Trigg county to see what help could be secured, and reported to the meeting that 250 men with a wagon load of guns would come. They were given \$3, raised by contributions, to defray the expenses of the trip.

It was decided to tell Al Perry not to deliver his tobacco to independent dealers and to join the association.

Moses Thornton, for visiting whose house the defendants are on trial, took the stand and identified Jake Ellis, Henry Taylor and William McClure. He said McClure was the captain, but Jake Ellis did the talking. More than a hundred of them were present, wearing black calico masks and carrying weapons. The captain wore a scarf made of a white table cloth with rings on it made by the bottoms of saucers. He gave the orders "about face" and "Up" after the raid and the men fired their guns in the air and dispersed. Thornton was called from his home about 2 o'clock on the morning of March 10, and ordered to carry a light. He appeared at the door, bearing a lamp and was compelled to throw up his hands with the lamp in one of them. Then he had to call his grown-up son. He was instructed to plant four acres of tobacco under pain of being whipped until his body wouldn't hold corn shucks and then be hanged.

Suit for divorce has been filed on the grounds of abandonment by Laura Ratliff against Jim Ratliff. Plaintiff says they were married in 1901 and lived together until March 1906.

Dr. McCormack Says City Should Be Indicted

Secretary of State Board of Health Finds Many Things Threatening the Public Health in Hopkinsville—Points Out Duty of Teachers.

(From Saturday's Daily) Instead of addressing the citizens of the town in the city court room yesterday afternoon as had been previously announced, Dr. J. N. McCormack secretary of the state board of health, took advantage of the teachers institute being in session and made his talk to them in the circuit courtroom. Many town people had gathered to hear Mr. McCormack and these also repaired to the circuit court room when the change was made.

Dr. McCormack addressed himself particularly to the teachers. He pointed out the necessity of and the best means for securing the proper sanitary conditions in the schools and especially for the maintaining of sufficient ventilation. He also told the teachers that no higher duty was before them than they should teach the children how to combat contagious diseases. Especially did he refer to typhoid fever, outlining minutely the course that should be followed in order to prevent a spread of this disease.

Regarding Hopkinsville he condemned in unmeasured terms the dumping of sewerage into Little River. He characterized the river as

"a cess pool" and said that if something wasn't done to relieve the situation the town should be indicted by the next grand jury.

He used nearly as strong language regarding the dumping of sewerage from the asylum into the east fork of the river and a movement has already been started to remedy this trouble.

He also scored the practice of using dry wells in disposing of sewerage, and said this, more than any other one thing, was filling the earth with typhoid fever and other disease germs and unless discontinued would have a tendency to bring on an epidemic of disease.

He visited one of the dairies and a slaughter pen. He said he found the dairy in good condition but he notified the slaughter pen owner that while it was in as good condition as most any that would be found, still it did not come up to requirements. He also announced that the state inspector of slaughter houses would soon make this town a visit and he felt sure that he would condemn the slaughter houses and order an up-to-date one to be built which should be used by all of the butchers of the town.

CONVENTIONS AND EXCURSIONS.

A new special committee has been created this year by the State Fair management, known as the Committee on Excursions and Conventions, with Mr. Smith T. Bailey as chairman. Already a number of annual meetings for state organizations have been secured, including the Kentucky Beef Cattle Association, the Kentucky Dairy Cattle Club, the Swine Breeders' Association, the State Berkshire Association, the Good Roads Association and various others of a kindred nature.

A suitable convention hall will be provided underneath the grandstand with every accommodation and convenience possible for the visiting organizations. Chairman Bailey hopes to have many other meetings listed before the opening day and is arranging to have a large number of excursion trains from all sections of the state. In other words, it is his intention to make it a convention week and the banner week in the history of the Falls City for the largest number of out-of-town visitors.

THE NEW STATE FAIR GROUNDS.

The new Kentucky State Fair grounds, where the 1908 annual exhibition will be held, is easily one of the most modern arranged and best equipped in the country. From an aesthetic point of view the graceful lines of the buildings harmonize with the surrounding topography. The car lines will extend into the grounds so that one may step directly from the car to the entrance of the Fair. An imposing archway will extend over the main driveway at the entrance. The driveway, 100 feet in width, leads directly to the Livestock Pavilion. Grass plots with rows of trees will subdivide this driveway and lines of hedges will border it on the sides. In front of the Livestock Pavilion will be an attractive fountain located in the center of large flower bed designs.

The racetrack and grandstand are located in the eastern part of the grounds, some 600 feet from the pavilion. The surface of the track has been finished with exceptionally fine clay. The stables and cooling shed for horses are located just south of the track. The architecture of all the buildings will be along the lines of the Spanish Mission style, with white sides and red tile roofs. This class and style of architecture will harmonize with the undulating grounds and graceful driveways which are bordered with hedges and plants and give it a most pleasing appearance.

\$100,000 LIVESTOCK PAVILION.

It is with much pride that the State Fair management will open to the public in September what it has every

reason to believe is the finest livestock pavilion in the world. While somewhat similar to other great State Fair pavilions, it is quite different from any of them and combines the good points of all of them. It will be 212 feet wide and 400 feet long, with an interior arena measuring 116 by 300 feet. There will be an entrance to the arena at either end, having direct connection with the horse and cattle barns. A fifteen-foot promenade will extend entirely around the outside of the arena. The main entrances are arranged in four large towers, one at each corner of the building, to give an abundance of space for entrance and exit. The construction is of the most permanent character, being largely concrete and steel. All horses and cattle will be exhibited in this building, a great improvement over the hot, dusty show rings and the inconvenient stuff tents used in the past.

WEBER'S BAND

Weber's Prize Band of America, one of the finest concert organizations in the West, will furnish the music for the State Fair. Each of Weber's programs will be three hours long and be made up entirely of popular music. A number of soloists will be heard. Mr. Weber has felt the public pulse long enough to know about what is wanted; add to this a band that is unsurpassed anywhere, his own personality and splendid leading powers, soloists of known ability, and it is hard to see how the State Fair management could have secured a bigger attraction in the way of a band.

THE HORSE SHOW AT

KENTUCKY STATE FAIR. With the largest prizes ever offered for horses at a Kentucky Fair, the greatest exhibit of equine flesh in the history of the Blue Grass State is confidently expected. For the first time exhibitors and spectators will have the pleasure of seeing a first-class horse show in a large, commodious arena, completely under shelter, without feeling the effect of the burning sun or being exposed to damp and chilly weather and undergoing the inconvenience of a weather-soaked show ring.

Turnstiles to Be Used at the Kentucky State Fair.

Secretary J. W. Newman of the Kentucky State Fair has provided the most approved pattern of turnstile to be used at each entrance to the State Fair. Neither the skinny nor the fat man will have any trouble in passing through them. They are equipped with registers which can tell at any minute just how many persons have passed through.

For catalogue, entry blanks or other information, write J. W. Newman, Secretary, 220 Paul Jones Building, Louisville, Ky.

ROUTINE MATTERS

OCCUPIED THE CITY COUNCIL'S TIME LAST NIGHT

Another Meeting Will be Held Next Friday Night.—Dr. Jackson Lays Down the Law.

(From Saturday's Daily)

At the regular monthly meeting last night the board of council did not get to the really important matters which were to have come before them and another meeting will be held next Friday night to attend to these things. As it was the councilmen did not leave the council chamber until after 11 o'clock.

The usual budget of accounts was allowed and the reports of the city officials were received.

The sum of \$50 was appropriated for Lebkuecher's band to help out on the expense of the series of outdoor concerts which are being given. Traps, similar to the one placed at Second avenue and Virginia street some time ago, were ordered to be installed in the sewer openings from Second avenue to Tenth avenue, in order to do away with the odor.

The city engineer was ordered to furnish maps of the fire department and public schools showing the location of fire plugs about the city.

Dr. J. B. Jackson, secretary of the county board of health, appeared before the council in regard to an order which he had served on the council two days ago in which he gave the city twenty days to remedy the conditions now existing as a result of the dumping of sewerage into Little River.

Dr. Jackson told the council that some other dumping place would have to be found for the private sewers which now empty into the river; that the stagnation of this sewerage threatened the health of the entire community and polluted the waters of the stream for miles below here and under the authority vested in him as county health officer he did not propose to let the danger longer exist. He also told the council that their agreement to allow sewers to empty into the river at some point further down the river could not be carried out this would endanger the health of persons living further down the stream.

The council seemed disposed to temporize with the health officer but he delivered his ultimatum that unless something was done to remedy the trouble within the next twenty days that he would take steps to enforce such action. He says that he intends to stop altogether the practice of dumping sewerage in the river. That it may be run into a septic tank, hauled away and burned or disposed of in any other way, but it cannot go into the river.

Similar notice was served by Dr. Jackson upon the asylum officials and they have already promised that the matter will receive attention. This is a state affair, though, and Dr. Jackson says that he does not expect as quick results as he does with the city on account of the more intricate channels through which the action will have to be taken.

WIN LAST CONTEST

HOPKINSVILLE BOYS PUTS IT TO DRAUGHON'S AGAIN.

Red Fox Games Are Called Off—Much Interest in Fight of Lodge Teams.

(From Thursday's Daily)

Hopkinsville took the last game of the series from Draughon's team, of Nashville, yesterday by the score of 11 to 10, this giving the locals four out of five games played.

The game was a slow one and was plentifully interspersed with swats and errors. As a result scores were made in bunches and until the latter part of the game the visitors were in the lead. Raymond Smith on the firing line for the locals and with the exception of one or two bad innings he was very effective. Draughon's used two pitchers, and both were hit hard, nearly every man on the home team fattening his batting average. Hardy Hadden made the only home run of the game, this being a terrific line drive to left field which rolled so far that Hadden was well past third base when the fielder picked the ball up.

Lynn Evans established a new record for continuous base running. Ben Winfree's "charley hoss" was still so bad as to prevent him from running and nearly every time Evans ran for him. Another time he sprinted for another player and in fact was most all the time making the circuit of the sacks for someone.

The ball games scheduled for tomorrow and Saturday with the Red Fox team, of Nashville have been called off.

Judging from the number of tickets that have already been sold for the game scheduled for next Tuesday between the Elks and Woodmen of the World will be witnessed by an unusually large crowd. The members of both lodges are supplied with tickets and they are letting no one pass without purchasing. The game will be one of the best ever played by amateur teams and the best local material has been selected upon both sides.

Rev. John Harrison Dead.

A telegram from President Edmund Harrison to his family announces the death of his brother, the Rev. John Hartwell Harrison, at Danville, Virginia. Dr. Harrison was notified Monday of the critical illness of his brother, due to a second stroke of paralysis, and left immediately for Danville arriving there Tuesday night. The deceased was a prominent retired minister of Virginia, and was sixty-nine years of age. He leaves a widow and several children.

Misses Lucy Whitlock and Louise Jones have returned from a visit to Chicago and Bay View, Mich.

WILL BUY AIRSHIP

UNCLE SAM WILL PURCHASE BALWIN'S DIRIGIBLE

Failure to Meet Speed Requirements Does Not Prevent the Deal Being Made.

(From Thursday's Daily)

WASHINGTON, Aug. 12.—The military dirigible balloon built for signal corps of the army by Captain Thomas S. Baldwin will be accepted. "We are going to buy Baldwin's machine; we need it," said General James Allen, chief signal officer, and he indicated that failure to comply with the speed requirements will not prevent the purchase of the airship. It is generally understood, therefore, that the speed and endurance trials will merely determine the price to be paid for the dirigible.

If, in the first official speed trial, Captain Baldwin should make less than sixteen miles an hour, General Allen may so change the method of determining the speed that in the second trial flight Captain Baldwin's dirigible will make the required speed.

The first speed test, which is expected will take place this evening, will be over a course about two and one-quarter miles in a westerly direction from Fort Meyer. Timbers will be stationed at the Fort Meyer drill grounds, which will be the starting point and at the turning point at the western end of the course. The speed will be determined from the average speed made from the starting point to the turning point, and from the turning point back to Fort Meyer.

Capt. Baldwin is satisfied that he can make twenty-two miles an hour under the conditions prescribed by the signal corps. Gen. Allen and the scientists who have been watching the Baldwin flight are of the same opinion. Col. James Templar, former chief of the aeronautical division of the British army, said he believed that Capt. Baldwin's dirigible could make twenty-five miles an hour in still air.

Col. Templar last night sent his report to the British war office on his inspection of the Baldwin dirigible balloon. His recommendation that several of its features be incorporated in the new dirigible which the British army is building and which will practically have the same dimensions of Capt. Baldwin's ship. Col. Templar favors the smaller airship in the present stage of advancement of aerial navigation.

In replying to a question as to what he thought of the Zeppelin airship, Col. Templar said: "It is too far ahead of the times. The experience must be gained with smaller airships. If Count Zeppelin's men had been trained with smaller aerial craft the unfortunate accident to his airship would probably not have occurred. The captain of the first ship which crossed the Atlantic would have been unable to control the Mauretania of today. The captain of the modern ocean liner has the advantage of the knowledge gained by those who piloted smaller ships. The Zeppelin airship is as far ahead of the present advancement in aerial navigation as the Great Eastern was in water navigation."

DRYS WIN

Wets Defeated at Newstead By Majority of Eleven.

(From Thursday's Daily)

The local option election in the Newstead precinct yesterday resulted in a victory for the Prohibition forces, the majority being eleven votes. The fight was a hard one. There is only one saloon in this district, this being that of Joe Ledford at Pee Dee, and as soon as the present license expires, which will be in March, this will have to be closed. The prohibition fight was led by J. W. Riley and W. L. Caudle, aided by the Rev. J. R. Hawkins.

Good Roads Movements.

The following suggestion from Mr. Charles E. Barker, of Pembroke, are pertinent and important:

"I am very much interested in the good road convention to be held at the State Fair. I was at meeting at Eminence, on July 3d, and feel fully repaid for going. I do not know that it is much encouragement to the average clod hopper to spend \$1,800 on one mile of old pike repairing it, but if we can get a representative meeting at Louisville, during the State Fair, we can do wonders in the way of mapping out a system of road working and save some of the enormous amount of money that is actually thrown away in each county by fiscal courts. As a suggestion to Mr. Hanna and Mr. Newman, let them call a meeting at each voting place in the state at 3 p. m., Saturday Aug. 29th. That each of these meetings select a representative to a county meeting to be held at the court house on the following Saturday. That these delegates organize into a county board, who shall send commissioners to the State Fair meeting, where I am sure you will see something done, that will be of as much importance to the taxpayers of Kentucky, as anything that will come before the State Fair. The people are anxious to co-operate in this matter, and I am sure are impatiently waiting to be told what to do."

FOR THE BRYAN FUND.

Fifteen-Year-Old Boy's Scheme to Raise The Needful.

MEMPHIS, Tenn., Aug. 13.—Billie Martin Young, aged 15 years, of Dixon Springs, Tenn., is the first boy in the United States to start a boy's fund for the Bryan campaign. Through the Memphis News Scimitar he has called for organization of a "Kid Democratic Club," composed of boys between the ages of 10 and 20 years, each of whom is to send 25 cents to the News Scimitar to be added to the Bryan and Kern campaign fund. He expects to have members in every state of the union.

TAKEN TO LOUISVILLE.

RUSSELLVILLE, Ky., Aug. 13.—Rufus Browder, accompanied by the sheriff and soldiers left this morning for Louisville. There is no disorder here.

Chat About People and Things

A license was issued here yesterday for the marriage of I. C. Menser to Miss Mattie Knight.

Miss Hazel Roper left today for Sturgis where she will spend a month. She was accompanied to Princeton by her father, Chief Ellis Roper.

A fine of \$11 was assessed against Anthony Martin, colored, yesterday on a charge of cruelty to animals. Martin was driving a poor, crippled and diseased old horse and when arraigned pleaded guilty to the charge.

The additional two hundred dog tags which were ordered several days ago have arrived and now all who are not supplied can get them at the police office. Up to date 385 tags have been sold.

Invitations have been received here to the marriage of Lawrence Oncley and Miss Arena Hunsche at Cannellton, Ind. The groom formerly lived here and is remembered by many friends. He now holds an important position in the schools of Evansville and the couple will reside there after September 1.

The many friends here of Lewis Waller will be glad to learn that he has decided to come back to Hopkinsville to make his home. He has accepted a position with the Forbes Manufacturing company and will enter upon his duties next Monday. For several years Mr. Waller has been in the lumber business at Madisonville.

The Western Union Telegraph company has taken over the wires on the Tennessee Central railway between Nashville and Hopkinsville, Kentucky, formerly operated by the Postal Telegraph company and will operate them hereafter.

This adds very materially to the already first class facilities the Western Union possesses to Clarksville and Hopkinsville and embraces all intermediate points on the Tennessee Central between Nashville and Hopkinsville, Ky.

GRUESOME POSTCARDS.

WASHINGTON, Aug. 13.—A citizen of Hopkinsville, Ky., has had photographed on a postal card the bodies of four negroes recently swung up on a cedar tree at Russellville and he has applied to the post-office department to know if under the regulations such a postal card is prohibited from going through the mails. The picture is a decidedly gruesome one, of course, and the features of two of the strangled negroes are clearly brought out on the postal. The bodies of the other two are hanging so that their faces can not be plainly seen. The postmaster general is expected to make a ruling on the matter in the course of a few days. So far as is known now there is nothing in the law or regulations that would exactly cover this case. There is nothing obscene in the picture and it could not be excluded on that score.

WITHOUT MASKS

A Band of Men go After a Negro Who Had Sent Them Insulting Letter.

HUMBOLDT, Tenn., Aug. 13.—Quite a good deal of excitement occurred at Gibson Wells, a well-known health resort nine miles west of here, when twenty-five unmasked armed men rode into that village and asked for a negro whose name is not reported, saying that a number of them had received an insulting letter from the negro, in which they were invited to try their "little whipping game on him." The men did not try to conceal their identity.

A negro by the same name of the one whose name appeared to the notes was found, but he acted so unsuspiciously and open that the "day riders" were convinced he had written no letter such as they had received. Consequently they disbanded, believing that some other negro who had a vengeance to wreak on the Gibson Wells colored man had written the letter, with the hopes of getting him whipped.

Many of the "day riders" were leading citizens of the Brazil neighborhood.

MRS. M'KEE DEAD

Passes Away at Her Home in Memphis.—Aged 85 Years.

(From Thursday's Daily.)

Mrs. Annie E. McKee, widow of Robert Letcher McKee, died Wednesday at her home, 1701 East Beard place in Memphis. She was about eighty-five years of age and infirmities incident to her advanced age caused her death. The body will be brought here for burial, and will arrive at 10:16 a. m. over the L. & N. The procession will form at the depot and go directly to Riverside cemetery where burial rites will take place.

Mrs. McKee was a daughter of Fidelity Sharp, one of the pioneers of Hopkinsville. Until about twenty years ago she resided in Christian county, near Longview. When she left here she went to Memphis where she had since resided. She retained her membership in the Second Avenue Presbyterian church here notwithstanding the fact that she had lived in Memphis for so long a time. She was a consecrated Christian woman and her chief pleasure was in ministering to others.

Three children survive her, these being Misses Elizabeth and Sarah McKee and Kee R. McKee, the latter of whom is now living in Oklahoma City. She was also the mother of the late Sam McKee of Longview.

JURY DISAGREES

MURRAY, Ky., Aug. 13.—The case against Jake Ellis has resulted in a mistrial. The jury stood eight for acquittal and four for conviction.

FARMER IS WARNED

THAT HE WILL BE WHIPPED BY "NIGHT RIDERS."

Apparently Work of Private Enemy.—Two Husbands Punish Men For Insulting Wives.

J. S. Northington, a farmer living near Garrettsburg, received a threatening letter signed, "Kentucky and Tennessee Night Riders." The letter referred to some trouble Mr. Northington had four years ago with a man who threshed his wheat crop and was docked on the settlement for wasting so much of the grain. The letter said that if the balance of the man's bill was not paid in thirty days Mr. Northington would be waited upon and whipped. The business matter referred to was known to but few people and had about been forgotten by Mr. Northington.

Two men who were walking along the road near Binns' Mill, met Mrs. Will Dockery and Mrs. Albert Lindsay in a buggy and used insulting language to them. They reported the matter to their husbands who found the men soon afterward and gave them each a severe horsewhipping.

Gresham-Wade

Walter H. Wade and Miss Rosa May Gresham were married last night at the Shilo Methodist church on the Cadiz road. The ceremony was pronounced by the Rev. W. T. Miller, of this city. The attendants were Misses Berta Hiser and Beverly Stewart, Miss Minnie Gresham and Mr. Stewart. Announcement of the wedding had been made several days ago and the church was filled with the friends and relatives of the contracting parties. After the ceremony Mr. and Mrs. Wade came to Hopkinsville where they will reside.

The bride is the attractive daughter of Ross Gresham, and the groom is a worthy young man who holds the position of assistant carrier on one of the rural routes of this city.
